AI-Powered Risk and Threat Intelligence

Indicative Pricing
Jan, 2026

SaaS Licence Pricing

Pricing is listed per license per annum.

Number of Lic	Price per Lic p.a (12-month term)	Price per Lic p.a (24-month term)
1 - 15	£36,000	£24,000
16 - 25	£21,600	£19,200
26+	£16,800	£14,000
12 Week Trial (per lic)	£2,000	N/A

IaaS Pricing

For decision-makers who require strategic insight without operating the platform, we deliver intelligence reports in the form of SITREPs derived directly from ExTrac platform data.

SITREP: Approximately 15 pages, providing in-depth situational understanding on emerging or persistent topics, guided and quality-assured by ExTrac subject matter experts, with typical weekly delivery that can be adjusted according to customer needs.

Price per SITREP report: £10,000.

API Pricing

API pricing depends on the API product category, with separate rates for 12-month and 24-month commitments.

All prices are quoted per month.

API Category	Per month (12-Month term)	Per month (24-Month term)
Last 30 Days' REST API	£15,000	£12,000
Last 13 Months' REST API	£20,000	£16,000
Graph Analytics REST API Bolt-on	£5,000	£5,000
Co-Analyst and Monitoring REST API Bolt-on	£10,000	£8,000
