## **PROMOTIONS**

Reference seats are online research access only seat licenses whereby an individual user will receive a unique username login to Info-Tech's online research portal. The access will be mainly inclusive with a few restrictions with service levels like those of a Team membership. Reference seats will be provided to G-Cloud members at no cost. There is no dollar amount or individual license/product cost associated with a reference seat. Reference seats can only be offered by Info-Tech to G-Cloud customers in conjunction with the purchase of any one of the Counselor level memberships. The number of reference seats to be included per Counselor level membership will differ per instance but will be capped at one (1) reference seat. Reference Seats are also available in as part of Core Memberships below as indicated in the table below.
