

## Pricing Document

### Service: Support Microsoft

Our Support Microsoft pricing is calculated based on a series of factors relating to your IT setup. Our 10% education discount is built into this pricing.

These figures can be applied to individual schools or MATs.

- Number of staff users
- Number of servers
- Number of tenants
- Number of devices

Unit	Cost per Unit per Month
Staff User	£12.50
Server	£75.00
Primary Tenant	£100.00
Secondary Tenant	£150.00
Device	£0.60

For example, a secondary school with 150 staff, 10 servers and 850 devices would pay:

$$150 \times £12.50 = £1875.00$$

$$10 \times £75 = £750.00$$

$$1 \times £150 = £150.00$$

$$850 \times £0.60 = £510.00$$

$$\text{Total} = £3285.00 \text{ per month}$$

$$\text{Annual Total} = £39420.00$$
