## EXPENSES

Any specific travel or accommodation expenses required to provide this service are not included in the costs shown above

These expenses could include:

- Travel costs (Rail, Air travel, Taxi, Car)
- Accommodation (if our consultants needs to stay away overnight)
- Meals and other 'subsistence' while travelling.

However, we do not charge expenses for travel to and from sites within Zone 6 London travel zones.

## VOLUME DISCOUNTING

Our pricing proposal includes an additional initiative for volume discounting

This incentive offers discounted rates to buyers who purchase larger quantities of services. Upon reaching a specified threshold, subsequent purchases are discounted accordingly.

We are open to providing volume discounts for larger teams, extended-term projects, or multiple services purchased by the same client. However, these discounts will be negotiated on a case-by-case basis.
