Cloud Support Services Rate Card	3
--	---

“

Whilst your systems may be complex, your support solutions need not be. We believe in providing straightforward, high quality, good value engineering consultancy and support.

We aim to use our knowledge and expertise to develop a safer and more sustainable future because we recognise the importance of having a positive impact on the future of our planet and society.

”

Cloud Support Services Rate Card

Occam Group are pleased to offer the following pricing structure for the provision of services under G-Cloud 14 Lot 3: Cloud Support.

The following Day Rate Card presents day rates aligned to our organisational structure. At this time Occam Group does not offer pricing aligned to Skills Framework for the Information Age (SFIA).

Grade	G-Cloud 14
Technician	£430
Graduate Engineer / Engineer	£520
Senior Engineer	£620
Consultant	£740
Senior Consultant	£860
Principal Consultant	£990
Technical Lead	£1,110

Occam Group Rate Card Assumptions

The following assumptions should be applied to Occam Group's pricing framework:

1. Rates are exclusive of VAT, which will be charged at the prevailing rate.
2. Rates are inclusive of all discounts across all sectors as they are already offered at our best and most competitive rate.
3. A Working Day is 7.5 hours, exclusive of travel and breaks.
4. Travel and Subsistence is not included within this rate card, and will be payable based upon actuals. Mileage will be charged at 45p per mile.
5. Invoices will be raised according to a mutually agreed Milestone Payment Plan and be payable within 30 days of receipt.
6. Professional Indemnity Insurance is included in the day rate.

A photograph of the Clifton Suspension Bridge in Bristol, England, spanning a deep gorge. The bridge features two large stone towers and numerous suspension cables. The sky is blue with scattered white clouds. The image is partially covered by a dark blue diagonal overlay on the right side.
