Service Pricing

As an experienced and certified cyber security consultancy, we have built up a reputation for providing thorough risk insight. We understand the importance of demonstrating the value we offer and strive to deliver value for money by providing a high quality service at a competitive price.

Pricing for this service is based on the applicable Skills for the Information Age (SFIA) rate card, which is available as a separate document attached against this service on the Digital Marketplace.

- The services will be priced based on the required team, grades of consultant(s) as well as project timescales and agreed when scoping the exact requirements for the project.
- A custom proposal will be produced, capturing all relevant details to the engagement including what is required to support the engagement.
- Pricing can be provided as a fixed price or on a Time and Materials (T&M) basis.
- Professional Indemnity Insurance is included in the day rate.

Pricing Notes

- All invoices will be payable within 30 days.
- All pricing is in British Pounds (GBP) and is exclusive of Value Added Tax (VAT).
- Additional costs including travel, subsistence and any other reasonable expenses may be charged separately, as detailed by the Call-off-Contract terms and conditions.
- All pricing is provided on the basis that work will be undertaken during standard UK business hours (Monday through Friday 0900-1730 excluding bank holidays). For work conducted outside of these hours, the day rate will be charged at 1.5x or 2.0x the standard rate dependent upon the client's requirements.
