About Postremo IT

Postremo IT is a managed service provider (MSP) that has been providing IT solutions to private companies, government organisations, and non-profit organisations since 2014.

We are experts in providing a broad range of managed services and support services that enable our clients in keeping up with the most recent technological trends and resolving IT-related issues. We take great satisfaction in our capacity to comprehend the particular requirements of any organisation and to provide tailored solutions that promote success.

Our vision

Relentlessly drive innovation with Postremo IT's future-oriented solutions, honing in on our Apple and Jamf product expertise. We build powerful, mistake-proof networks that bolster your business strategy. Embrace superior managed support services, where intuitive client-centric solutions are crafted with rapid precision, transcending beyond the conventional customer service norms.

Our mission

At Postremo IT, we craft advanced solutions, driven by evolving strategic themes, that will withstand the test of time. Our mission is to establish powerful solutions, rooted in objective design, that deliver flawless results. We are committed to creating swift and intuitive deliverables, prioritising personalised managed support over broad-scale customer service.

Services provided

Managed Apple Device Service

Deliver efficiency with our Apple Managed Service, seamlessly integrating Jamf Pro, Protect and Connect.

Apple Deployment Assessment Service

Fast track your Apple deployment with our comprehensive assessment service. Receive on-site feedback, a detailed report, and best practice strategies for managing employee devices effectively.

Apple Devices Deployment Service

Our fast track deployment service utilises Jamf Pro, Jamf Connect, and Jamf Protect to integrate with your identity provider.

EUC Design, Implementation & Support

Specialising in public sector workspace solutions, we offer bespoke design and implementation services, aligning with user needs for enhanced service delivery.

EUC Consultancy Service

We specialise in elevating public sector workspace services, offering bespoke strategy, design, and integration expertise.

Service Desk

Offering comprehensive end user workspace support from 1st to 3rd line, delivered by certified professionals.

3rd Line Support Escalation

Our 3rd line support service provides a comprehensive solution for managing complex issues when they arise, freeing the burden from your technical teams.
