

All Able Consultancy

We understand that accessibility is more than just testing, and the best way to build more accessible services, is to incorporate accessibility practices in all areas of the business. Whether that is procurement, policy and strategy, accessibility testing, HR and recruitment, or a wealth of other areas that contribute to business culture and success, All Able are ready to support you with your accessibility needs.

Who we are

All Able are an award-winning team who have been instrumental in the UK (United Kingdom) adoption of the Public Sector Bodies (Websites and Mobile Application) Accessibility Regulations 2018 alongside many other accessibility advancements.

We believe that everyone should have equal opportunity to utilise public services, get an education, and engage with their communities to live an enjoyable and independent life. We are committed to using our expertise to help organisations to deliver accessible and inclusive services that work for everyone.

How we can help

Accessibility support can take many shapes and sizes, whether you need comprehensive support to deliver an accessibility culture change projects across a large organisation or are a small team thinking about changing your requirements for a single website, we can offer a consultancy package that is right for you.

We care about the results of our work and have spent time throughout our own careers in both big and small teams and organisations. The support we provide through our consultancy is pay once and get the job done. However many questions we need to answer or redrafts we need to do, when you request support from All Able, we are along for the ride and will be there to help till the job is done.

Here are just some of the areas we can support you in:

- Accessibility statements
- Disproportionate burden claims
- Public Sector Accessibility regulations guidance
- Accessibility in procurement
- Accessibility in HR and recruitment
- Designing accessibility policies
- Building accessibility culture change

Consultancy Costings

All Able operates consultancy on a day rate of **£600+VAT**.

All support is set at this price point, plus any travel expenses associated with in-person support.

Specific consultancy costs will therefore depend on the size and complexity of a given requirement, but all costs will be confirmed with you prior to work commencing.
