

KunKun Business case and procurement analysis

Service description

KunKun provides support across the public sector to help produce investment appraisals and business cases for new services and products. KunKun is experienced in the five case model (better business cases) and the HM Treasury Green Book, both in the context of UK government and devolved governments.

KunKun can provide economic and financial analysis, help with multi criteria analysis for non-quantifiable measurement, and pull together coherent arguments in support of new investment proposals.

KunKun is also experienced in producing procurement documentation including evaluation questionnaires, financial models and evaluation models. KunKun can turn business case recommendations into procurements for services.

Pricing

KunKun can either charge time and materials or fixed price.

Ordering and invoicing

KunKun bills monthly in arrears, invoicing on delivery of work packages or monthly for T&M work.

Support

KunKun offers support by email.
