1. Oracle Health mPage Development

Description
Oracle Health Millennium Page (mPage) development; Experts in using both CCL and HTML, we can create custom components to display Millennium data at both Organiser and Chart Level (based on user role) within the PowerChart framework.

Features
- Creation of custom components tailored to display Millennium data
- Configurable based on Role-specific Access
- Custom components can adapt to evolving data needs and user roles

Benefits
- Streamlines workflows
- Improved User Experience with enhanced interactivity
- Cost efficient compared to in-house development

4. About Accenture

Accenture is a leading global professional services company that helps clients build their digital core, transform their operations, and accelerate revenue growth—creating tangible value across their enterprises at speed and scale. We are uniquely able to create these outcomes because of our broad range of services in strategy and consulting, interactive, technology and operations, with digital capabilities across all of these services. We combine unmatched industry experience and specialised capabilities across more than 40 industries and all business functions. With 743,000 people serving clients in more than 120 countries, and a net revenue of $64.1 billion USD for the financial year ending on 2023, Accenture drives innovation to improve the way the world works and lives.
