2 OUR PRICING MODEL

Leidos pricing is tailored to our clients' requirements which we will help define.

Due to the nature of our projects, Leidos will use the published SFIA rate cards as the simplest pricing basis structure for its pricing model.

Pricing of this particular offering may vary as they will depend on the specific requirements of our clients, such as size, complexity and nature of the technical services required by our clients. Customer or third party costs are also agreed separately with our customers.
