Pricing

Atos can provide a range of Advisory services to support our customers, ranging from a single day consultancy to a full managed service.

The provision of this service is based on Atos SFIA (Skills Framework for the Information Age) rates. Atos SFIA rates are mapped both with the levels of responsibility as described in SFIA framework reference and with the consulting grades within Atos. The pricing of each project will be tailored to meet individual client requirements and be based on the SFIA rate card.

All Charges exclude VAT.

About Atos

Atos is a global leader in digital transformation with 95,000 employees and annual revenue of c. € 11 billion. European number one in cybersecurity, cloud and high-performance computing, the Group provides tailored end-to-end solutions for all industries in 69 countries. A pioneer in decarbonisation services and products, Atos is committed to a secure and decarbonised digital for its clients. Atos is a SE (Societas Europaea), listed on the CAC40 Paris stock index.

The purpose of Atos is to help design the future of the information space. Its expertise and services support the development of knowledge, education and research in a multicultural approach and contribute to the development of scientific and technological excellence. Across the world, the Group enables its customers and employees, and members of societies at large to live, work and develop sustainably, in a safe and secure information space.

Tech Foundations is the Atos Group business line leading in managed services, focusing on hybrid cloud infrastructure, employee experience and technology services, through decarbonised, automated and AI-enabled solutions. We are a 49 000-strong team with a clear ambition: to apply digital technology to advance what matters for our clients and society at large in 69 countries, with an annual revenue of € 6 billion.
