Typical projects

While we offer quotes tailored to your requirements, we've outlined some typical projects below which are available at a discount. For full details of our professional services see "Design & build services for the Contensis CMS" on G-Cloud.

Project A – In-house development

For clients who want to get up to speed with Contensis quickly, we'll provide consultancy and training to make sure you're completely comfortable with Contensis. If you have an in-house development team, your project will likely look like this.

Service	**Number**	**Cost**
User training	1 day	£800
System Administrator training	1 day	£800
Developer training	2 days	£1,600
Developer consultancy	10 days	£8,000
	Sub Total	£11,200
	Discount	10%
	Total	£10,080

Project B – Standard

We'll bring your website across to Contensis, make sure it's fully responsive and accessible, and launch it with a beautiful new design. This is a great way to get your site off a legacy CMS platform.

Service	Number	Cost
User training	1 day	£800
System Administrator training	1 day	£800
Professional services	80 days	£64,000
	Sub Total	£65,600
	Discount	15%
	Total	£55,760

Project C - Enhanced

This type of project involves an extensive discovery phase. We'll interview a significant number of internal and external stakeholders, run workshops, and analyse all of the data available as part of producing a beautiful new design. We'll bring your website across to Contensis and make sure it's fully responsive and accessible.

Service	Number	Cost
User training	2 days	£1,600
System Administrator training	2 days	£1,600
Professional services	130 days	£104,000
	Sub Total	£107,200
	Discount	15%
	Total	£91,120
