# Insight – Security Posture Assessment - GC14 L3 - Pricing

## 1    Service Offerings

Insight Security Posture Assessment Service.

## 2    Introduction

This pricing document defines the pricing structure for Insight's Security Posture Assessment Service.

Insight will assess the current security posture of the entire environment through conversation-led engagement, whereby our team will assess the following domains:

- Endpoint Security

- Application Security

- Cloud Security

- Network, Data Centre, IoT Security

- Governance, Risk & Compliance (GRC)

- Identity & Access

- Threat Detection & Response

- Human Factors

## 3    Pricing Structure and Components

Units are equivalent to 1 x Day Professional services consultancy.

Total quantity of units can vary from client to client depending on the required and defined scope.

For example, some organisations adopt third party / competing products that provide similar outcomes to Microsoft 365 and these need to be excluded at the requirements gathering stage.

## 4    Pricing Notes

All pricing is exclusive of VAT and/or any other applicable taxes at the time of invoicing.
