

Insight – M365 Tenant to Tenant Migration – GC14 L3 - Pricing

1 Service Offerings

Microsoft 365 Tenant to Tenant Migration Service.

2 Introduction

This pricing document defines the pricing structure for Insight's Microsoft 365 Tenant to Tenant Migration Service.

The Insight M365 Tenant to Tenant Migration service provides clients with professional advice and guidance on how to conduct a M365 tenant to tenant migration with the added confidence and expertise of Insight carrying out the migration of your users and their content on your behalf.

3 Pricing Structure and Components

It is noted that due to the varied scope and complex nature of tenant-to-tenant migrations we cannot provide a one-time fixed price for this kind of engagement. More accurate costs can be provided following a discovery and scoping meeting.

Insights Microsoft 365 Tenant to Tenant Migration Service comprises of a combination of technology consultants and migration engineers which are delivered and costed on a unit (day rate) basis:

- Technology Consultant - £1200
- Migration Engineer - £900
- Other Support (Project Manager / ACM Consultant) - £900

Total quantity of units can vary from client to client depending on the required and defined scope. For example, some clients may only want to migrate one workload whereas another client may want to migrate all potential workloads. The total anticipated price can be estimated shortly after the requirements gathering stage.

4 Pricing Notes

All pricing is exclusive of VAT and/or any other applicable taxes at the time of invoicing.
