PRICING DOCUMENT

Version: 2.0
Date: 07/05/2024

Pricing Summary

The price for the Microsoft Azure Managed Service will depend on several factors pertaining to the application being hosted and the services being offered, including, but not limited to:

The range of services required during the engagement, including but not limited to:

- Design
- Build
- Automate
- Migrate
- Monitor

The components purchased within Azure, including but not limited to:

- Compute resources
- Storage resources
- Automation resources
- Security components
- Data transfer sizes

As standard, PDMS will charge the Azure List Price (available on the Microsoft website) plus a service fee based on the day rate required for setup, migration and ongoing support of the service.

Please see the PDMS SFIA Rate Card for details of our standard day rates.

We will charge you monthly with no minimum contract length.
