Pricing and Ordering

SCC's ITAM Managed Service is priced on a 'per device per year' basis, based on a minimum contract length of 12 months. Pricing is based on the initial quantity purchased, and additional devices above the contracted quantity are charged on pro rata 'per device per month' basis up to the next anniversary date.

Example Pricing below. Pricing available for other device counts upon request

Service Level: ITAM Managed Service – Standard

- Hosted Snow ITAM solution (Snow Spend Optimizer for SAM)
- Snow configuration service
- Snow client software installation and upgrade support
- Snow Licence Manager training (web based)

Device Quantity	Government	Academic
1000 Devices	£15,656 per year	£14,827 per year

Terms

- Minimum term 12 months. Charges shown are per annum, and will be invoiced annually at start of each year.
- The prices above exclude charges for additional services and expenses, as defined in the ITAM Managed Service Contract.
- A Device is defined as an inventoried, managed device whether active or quarantined, including, but not limited to, desktop, laptop, server, virtual machine. Total devices including all PCs, Thin Clients, Virtual Desktops, Physical Servers and Virtual Servers.
- The number of units exceeding the number of Units stated in the order shall be additionally invoiced and calculated on pro rata 'per device per month' basis up to the next anniversary date.
- The Academic price is offered to schools and other educational institutions.
- ITAM Managed Service deliverables listed above are defined within the ITAM Managed Service Statement of Works, available upon request from SCC.
- All prices exclude VAT.

This quotation is valid for 30 days from date of issue unless otherwise explicitly stated in the quotation. SCC reserves the right to correct any typographical, clerical or other error or omission in the quotation or any other literature/document or information issued by SCC. This quotation and the submission of a purchase order by the Customer pursuant to this quotation is subject to: (i) acceptance by SCC of the purchase order; (ii) successful credit check of the Customer; and (iii) either SCC's standard terms and conditions of sale (copy either attached or available at www.scc.com if not attached) or the specified trading terms referred to by SCC in this quotation or where SCC has stated within this document that the quotation is made on a non-binding subject to contract basis those terms and conditions duly agreed by authorised representatives of both parties following their negotiation. For the avoidance of doubt, unless expressly agreed with the Customer in the applicable trading terms, if any, referred to below, no terms or conditions endorsed upon, delivered with or contained in any Customer purchase order or other documentation will apply. Where SCC has provided in this quotation that the quotation is made on a subject to contract basis then this quotation shall not be deemed to be an offer capable of acceptance by the customer unless and until all terms and conditions of supply have been agreed by SCC and the Customer in writing by authorised representatives of both parties.

This document contains confidential information that is proprietary to SCC. No part of its contents may be used, copied, disclosed or conveyed to any party in any manner whatsoever without prior written permission from SCC.

With regards to the Freedom of Information Act and where applicable the Freedom Of Information Scotland Act (the "Acts"), if any requests for information are received in respect of any dealings SCC has with the Customer including in respect of any contract that SCC has agreed or may agree with the Customer, then SCC would expect that any non-public financial information, the price payable for goods and services supplied or to be supplied together with terms and conditions of trade are treated as "trade secrets" the disclosure of which would have a material adverse effect on our commercial interests because of a reduction in our "competitive edge" and therefore such information should be considered exempt from disclosure in accordance with the exemptions contained in the Acts including in Part 2, Section 43 in the case of the Freedom of Information Act and Section 33 in the case of the Freedom of Information Scotland Act. SCC would expect the Customer to consult with SCC regarding any requests for information received by the Customer which relate to any dealings SCC has with the Customer and which may encompass such trade secrets.
