

G-CLOUD PRICE LIST

**CONSULTANCY
SERVICES**

CONSULTANCY SERVICES

We provide a range of consultancy services to help streamline your journey to information security and data protection compliance. Our team of consultants can provide advice on complying with regulations and meeting industry standards.

The below services are typical of most organisational requirements, however we are able to offer bespoke solutions to achieve your business objectives. Please get in touch to discuss.

Test type	Pricing (Standard Day Rate)
Data Protection Consultancy (e.g. GDPR, NHS DSP Toolkit, etc)	£1,200
Information Security Consultancy (e.g. ISO 27001, SOC 2, Cyber Security Assessment, etc)	£1,400
Outsourced DPO Day Rate	£1,095

Volume-based pricing available, but depends on the scope of the project
