Service Description

Gartner News and Insight provides indispensable insights via self-service online access to essential cross-functional research and selected function-specific insight. This product is only available as an add-on for users with qualifying Gartner licenses.

Service Benefits

- Membership-based service for functional professionals
- Essential cross-functional research and selected function-specific content
- Tied to clients' key initiatives

Service Features

- Functional Research picks of 40-50 documents per month
- Resource Centres on Cross-Functional Topics
- Selected Best Practice Content and Case Studies
- Webinars

Invoicing

- The service is provided to one licensed user for a period of twelve months
- All invoices are payable net 30 days from date of invoice

Full List of Service Features

- Monthly Picks — Web access to research selected by senior Gartner research advisors (40-50 research documents per month with at least one document selected per business function). Documents refreshed monthly and available only during the month they are published
- Resource Centers on Cross-Functional Topics — Selected resources on cross-functional topics such as cost optimisation
- Selected Best Practice Content and Case Studies — Selected foundational best practice research by function
- Webinars — Periodic multi-client virtual events (live and/or replays) where Gartner expert(s) present research on a topic and clients participate through Q&A chats/polls. Clients have access to webinars through gartner.com

Additional Terms & Conditions

- This product is available as an add-on product for existing license holders only
- Each Licensed User must establish and maintain a current profile on gartner.com. Each Licensed User will be issued a user ID and password, which are for their own personal use and which may not be shared with any other individual or group, either inside or outside of the Client company
- Use of the Service is governed by the Gartner Usage Policy and the Gartner Copyright and Quote Policy, which are accessible on the Policies section of gartner.com.
