2024
Gartner G-Cloud 14 Service Definition

Gartner

Service Description

Gartner for Legal, Risk & Compliance Leaders for Audit and Risk: Advisor Team Member is designed for senior legal, risk, compliance, and audit leaders. The Service provides an ongoing advisory relationship with Gartner, and access to research covering the legal, risk, compliance and audit sectors and specific roles in a team environment.

Service Benefits

- Research to understand legal, compliance, audit and data-privacy risks
- Peer benchmarks, diagnostics and case studies
- Effective resource allocation, issues diagnosis, and best practice insights
- Network with other Legal and Compliance professionals
- Targeted content based on role, preferences, and key initiatives
- Dedicated service delivery
- Provides relevant content, data, and access
- Best practice and decision support content
- Live and virtual events with peer executives
- Unlimited, on-demand advisory and research advisor support

Service Features

- Gartner Research for Legal, Risk, Compliance and Audit Roles
- Peer & Practitioner Research
- Peer Networking
- Virtual and/or Live Peer Meetings
- Tools and Templates
- Functional Diagnostics
- Peer Benchmarks and Case Studies
- Individual Analyst Inquiry
- Team Analyst Inquiry
- Webinars

Invoicing

- The service is provided to one licensed user for a period of twelve months
- All invoices are payable net 30 days from date of invoice

Full List of Service Features

- Best practice and decision support content — Research content and validated approaches for solving critical challenges.
- Tools and templates — Step-by-step toolkits to execute on key initiatives.

Gartner

- Functional diagnostics — Tools for diagnosing the current state of the function and/or its roles.

- Peer benchmarks and case studies — Benchmarking reports and best-practice insights.

- Analyst Inquiry — Access to individual discussions with research advisors.

- Team Inquiry — Participate in team discussion with research advisors.

- Peer networking — Access to peer networking through facilitated inquiries.

- Live events — Access to live meetings and events.

- Virtual events — Access to online meetings and events

Additional Terms & Conditions

- One (1) Leader plus a minimum of one (1) and a maximum of ten (10) additional members are required for this product option

- Licensed Users may deploy Functional Diagnostics to both licensed and non-licensed users within the Client company

- Participation in inquiry calls is limited to the Licensed User(s) and the Gartner research expert only (i.e., non-Users, either inside or outside of the client company, may not attend or otherwise participate on the call). Team Members are entitled to two types of inquiry: (i) inquiry sessions with a research expert ("Individual Inquiry"), which may be scheduled and attended independent of other Team Members; and (ii) inquiry sessions with a research expert and the Leadership Team ("Team Inquiry"). For Team Inquiry sessions: (i) the Leader must schedule and attend the sessions, and (ii) Team Members may lead the discussion or pose questions to the research expert on behalf of the team, provided all such questions and discussions advance the Leader's agenda

- Use of the Service is governed by the Gartner Usage Policy and the Gartner Copyright and Quote Policy, which are accessible on the Policies section of gartner.com

- Depending on travel advisories and/or government orders, at Gartner's sole discretion, some meetings and events may be held virtually.
