Full List of Service Features

- Assigned Service Delivery Team — The client success manager, who serves as the Team Member's primary point of contact for the Service, will facilitate inquiry sessions and respond to specific requests for Gartner research and insight
- Team Workshop — Up to half-day annual virtual session on application of Gartner research and action planning. The session may include non-Team Members up to a total of 25 (twenty-five) participants
- Supply Chain Research — Foundational research, best practices, maturity models and toolkits help supply chain leaders run a demand-driven organisations. Includes vertical- specific supply chain content across the following industries: retail, consumer products, high-tech, chemical, industrial equipment and components, healthcare providers, and life sciences. Research technology areas covered include ERP, BI, CRM, and Supply Chain Management. In addition, supply chain leaders have access to the relevant Gartner IT Industry content published to the IAS Manufacturing and IAS Retail services
- Peer Community Contributed Content — Access to a library of peer contributed videos, webinars and case studies to learn from real life best practices

- **Peer Experiences** — Gartner provides opportunities for peer engagement in a variety of ways. Licensed Users have access to Gartner assets that enable ratings and reviews, connecting with qualified peers, access to community features, and exclusive features specific to client role
- **Individual Inquiry** — Unlimited, 50-minute sessions with Gartner research advisors to ask questions based on published research or request reviews of business-related documents. Participation is limited to the research advisor and the Partner, Delegate or Advisor Team Members. Partners, Delegates or Advisor Team Members may participate in each other's inquiry sessions
- **Team Inquiry** — Includes 50-minute sessions with Gartner research advisors to ask questions based on published research or request reviews of business-related documents. Team Members may lead the discussion or pose questions to the research advisor on their behalf or on the behalf of the team, provided the sessions are scheduled and attended by the Leader to advance the Team Leader's agenda
- **Supply Chain Conference Ticket** — Admission for one attendee to attend a Supply Chain Executive Conference

Additional Terms & Conditions

- Limited release service subject to pre-qualification
- One (1) Leader plus a minimum of three (3) and a maximum of ten (10) additional members are required for this product option. One (1) Advisor Team Member must be included for every Partner Team Member
- Participation in inquiry calls is limited to Licensed User(s) and Research Expert ("expert") only (i.e., non-users, either inside or outside of the client company, may not attend or otherwise participate on an inquiry call). Team Members are entitled to two types of inquiry: (i) inquiry sessions with an expert ("Individual Inquiry") which may be scheduled independent of other Team Members; and (ii) inquiry sessions with an expert and the team ("Team Inquiry"). For Team Inquiry sessions: (i) the Team Leader must schedule and attend the sessions; and (ii) Team Members may lead the discussion or pose questions to the expert on behalf of the team, provided all such questions and discussions advance the Team Leader's agenda
- The Gartner Supply Chain Conference Ticket is a numbered identifier (e.g., 424562) that entitles the Licensed User to register for one (1) Gartner Supply Chain Conference as specified in the Ticket Letter emailed to Client. Tickets are valid for 12 (twelve) months from date of issue, per the expiration date on the Ticket Letter. Tickets provided as part of a Gartner research offering are valid only for Gartner conferences during the contract term of that service. Tickets are transferable within the client company but may not be transferred to another company. A single Ticket may not be used by more than one (1) client employee and may not be used for admission to any other Gartner conference
- Depending on travel advisories and/or government orders, at Gartner's sole discretion, some meetings and events may be held virtually
- Use of the Service is governed by the Gartner Usage Policy and the Gartner Copyright and Quote Policy, which are accessible on the Policies section of gartner.com.
