Full List of Service Features

- Assigned Client Success Manager — A Client Success Manager will serve as the Cross-Function Team Member's primary point of contact for this Service. The Client Success Manager (CSM), an experienced service professional who understands the client's context and priorities, helps the Client understand the entitlements of their Service, and provides personalised, proactive, concierge-level service as the single point of contact from Gartner, helps the team leverage the most relevant Gartner resources. The CSM facilitates a coordinated service approach for the team, as well as alignment between Team Members and the Leader

- Virtual Team Workshop — Participate in a half-day annual strategy session (jointly determined by the Executive Partner and the Team Leader) facilitated by the Executive Partner, which is focused on application of Executive Programs Research and action planning. Topic is selected by Leader and Executive Partner from a list of available Executive Programs workshops
- Research Advisor Inquiry for the Cross-Function Team Member — Cross Function Team Member(s) may participate in Inquiry sessions, which includes access to Research Advisors related to specific industry pre-selected by the Client at time of purchase, provided the Inquiry sessions are requested and moderated by the Leader. The Leader must be present on the Inquiry call and manage and lead the Inquiry discussion and questions in order to advance the Leader Agenda
- Attendance at Gartner IT Symposium/Xpo — One (1) complimentary, non-transferable invitation for the Advisor Team Leader to attend Gartner IT Symposium/Xpo, including standard Symposium entitlements
- Peer Networking: Peer Directory — Access to searchable directory of senior technology leaders. Online Forums — Access to virtual discussions of common issues among peers on gartner.com. Offline Meetups — Access to designated lounges at Gartner IT Symposium/Xpo
- Gartner for IT Leaders Research and Related Content — Includes Gartner Core IT and Role-specific Research; diagnostic tools, templates, and case studies; Weekly Picks and News Analysis; and webinars featuring Gartner Analysts
- Peer and Practitioner Research — Includes peer benchmarks, best practices, case studies, tools, and templates
- Industry-specific IT Research — Access to Gartner Research related to the specific industry preselected by the Client at time of purchase
- IT Initiative Based Research and Role-specific IT Research
- IT Key Metrics Data — Provides performance metrics on trends in IT spending and staffing, unit costs, and performance measures across critical IT domains
- Executive Programs Research and Related Content — Research Reports — Up to 12 (twelve) Reports per year, covering Gartner-selected topics on areas where business and IT intersect. (Schedules are approximations and are dependent on the publication schedule of relevant Research.) Includes associated tools and teleconferences hosted by Executive Programs authors to discuss their Research Reports. Business Research and Related Content — Targeted to CIOs, CFOs, and other business executives
- Leadership Development Research and Related Content — Customised professional development content for technology leaders, targeted to Team Members
- IT Podcast Series — A subscription-based podcast series featuring Gartner Research experts' perspectives on business priorities and challenges on topics in information technology
- Digital Execution Scorecards — The Digital Execution Scorecard provides a comprehensive set of digital strategy benchmarks to accelerate decision making and drive execution.

Additional Terms & Conditions
