Full List of Service Features

- Assigned Service Delivery Team — A Leadership Partner and a client success manager will serve as the Partner Team Member's primary points of contact for this

Service. They will maintain the relationship through the delivery of the Services and implementation of a Member Value Plan. The service professional will facilitate inquiry and respond to specific requests for Gartner research and insight

- Client Success Manager — an experienced service professional who understands the Client's context and priorities, helps the Client understand the entitlements of their Service, and provides personalised, proactive, concierge-level service as the single point of contact from Gartner, helps the team leverage the most relevant Gartner resources. The service professional facilitates a coordinated service approach for the team, as well as alignment between Team Members and the Leader
- Member Value Plan — Customised service plan created in collaboration with the Partner Team Member at the beginning of the Service and reviewed and revised periodically through the membership life cycle. Elements include Partner Team Member expectations, value criteria, up to three (3) key initiatives, and action plan
- Annual Virtual Strategy Meeting — Partner Team Member will meet with the Leadership Partner for coaching and advice, with focus on strategic planning and execution of up to three (3) key initiatives. Guidance will be based on the collective expertise of Gartner Research and the Peer Community
- Virtual Team Workshop — Participate in a half-day annual strategy session (jointly determined by the Executive Partner and Leader) on Client premises facilitated by the Executive Partner, which is focused on application of Executive Programs Research and action planning. Topic is selected by Leader and Executive Partner from a list of available Executive Programs workshops
- Research Advisor Inquiry for the Partner Team Member — Participation is limited to the Gartner Advisor and the Partner Team Member. The Inquiry topic may be any area of Gartner-covered Research
- Attendance at Gartner IT Symposium/Xpo — One (1) complimentary, non-transferable invitation to attend Gartner Symposium/ITxpo, including standard Symposium entitlements
- Peer Community Events — Held two (2) times per year, these virtual events focus on Partner Team Leader- and Member-selected Gartner for Enterprise IT Leaders topics, provide a venue for networking and peer exchange, feature Member presentations on working solutions, and include facilitated workshops with research experts. Gartner may, as necessary, change or supplement the expert
- Special Interest Groups (SIGs) — Topical Web conferences, open only to Partner Team Leaders and Team Members and their extended teams, on key issues related to peer-selected topics. Group members share strategies and tactics, and experts provide insight and context. Webinars are scheduled without previous planning when there is significant interest in a shared topic within the client community. At the start of the webinar, Members are advised that the call is being recorded and may request that the call not be recorded
- Peer Networking: Peer Directory — Access to searchable directory of senior technology leaders. Online Forums — Access to virtual discussions of common issues among peers on gartner.com. Offline Meet-ups — Access to designated lounges at Gartner IT Symposium/Xpo. Peer Roundtables — Access to facilitated discussions with peers; participation limited to executives with similar job roles
- Gartner for IT Leaders Research and Related Content — Includes Gartner Core IT and Role-specific Research; diagnostic tools, templates, and case studies; Weekly Picks and News Analysis; and webinars featuring Gartner Analysts
- Strategic Business Content for IT Executives — Access to content that aligns to the changing roles of IT Executives and provides guidance around how IT Executives can be better business partners to their peers

- Peer & Practitioner Research — Includes peer benchmarks, best practices, case studies, tools, and templates
- IT Key Metrics Data — Provides performance metrics on trends in IT spending and staffing, unit costs, and performance measures across critical IT domains
- IT Initiative Based Research and Role-specific IT Research
- Executive Programs Research and Related Content — Research Reports — Up to 12 (twelve) Reports per year, covering Gartner-selected topics on areas where business and IT intersect. (Schedules are approximations and are dependent on the publication schedule of relevant Research.) Includes associated tools and teleconferences hosted by Executive Programs authors to discuss their Research Reports. Business Research and Related Content — Targeted to CIOs, CFOs, and other business executives
- Leadership Development: Leadership Development Research and Related Content — Customised professional development content for technology leaders, targeted to Team Members. Leadership Development Coaching — Executive Partner and Partner Team Member create an Individual Development Plan to identify key areas of focus and priorities (the “Plan”). Progress against the Plan will be reviewed during the contract year as follows: Up to four (4) times per year, the Executive Partner will conduct Coaching Teleconferences with the Partner Team Member to: (i) review and apply Leadership Development Content, Executive Programs Research, or other relevant content; (ii) advise the Partner Team Member in the context of the Partner Team Member’s professional and career goals; and (iii) develop, discuss the progress of, or evaluate the Plan
- IT Podcast Series — A subscription-based podcast series featuring Gartner Research experts’ perspectives on business priorities and challenges on topics in information technology
- Digital Execution Scorecards — The Digital Execution Scorecard provides a comprehensive set of digital strategy benchmarks to accelerate decision making and drive execution.
