G Cloud 14 - Rates for services (GBP)

All prices listed below are exclusive of VAT, which will be charged at the applicable rate.

codeenigma

Development services

Drupal / Symfony Support

Minimum contract length for non-PAYG services is 12 months. Clients on fixed term contracts will enjoy a rate freeze for up to 36 months.

Without a fixed term contract only PAYG support is available on a time and materials basis. Note, total PAYG or overage hours will be rounded up to the nearest 30 minute block for invoicing.

	Unit	GBP (£)
Support (first 5 hours)	5 hours/month	£630
Support (supplemental 5 hours)	5 hours/month	£600
Support "Rollover" Option	Per month	£100
PAYG / Standard Overage	Per hour	£140
PAYG Holiday / Weekend Overage	Per hour	£275

* 'Account' is an environment, collection of servers, service group, etc. - the definition may vary with provider.

** All weekend and UK public holiday interventions are subject to an hourly fee, minimum charge £137.50.

Example

- 5 hours of Support a month, no rollover = £630 a month (in advance)
- 10 hours of Support a month, no rollover = £1,230 a month (in advance; £630 + £600)
- 10 hours of Support a month, with rollover = £1,330 a month (in advance; £630 + £600 + £100)

Drupal security updates

	Unit	GBP (£)
