GCloud14

Pricing

Pricing for all Cloud Support Services under GCloud14 are based on a Resource per Day Basis.

Work package costs will be calculated on the resource estimates required to complete the requirements with the appropriate (SFIA) skills and experience.

The minimum number of days for a resource is 1. Discounts will be provided for more than 10 days per resource per purchase order.

Full details of all rates and available skills can be found in the attached file VCL-GCloud14-SFIA-RateCard-May241.1.pdf.
