

Pricing Document G-Cloud 14 Framework Services

Our pricing approach

Cloud21 provide services through the following pricing approach:

- Consultancy services are offered as either day rates based upon time and materials; or
- Fixed price, risk sharing agreements, based upon an output / milestone deliverable specification

Invoicing is monthly in arrears and payable in 30 days.

The day rates are provided by grade of staff in the SFIA template, within this portal.

Discount Offers

Dependant on the volume of services, some projects/programmes may qualify for discounts of up to 15% per day and can be discussed at procurement stage.
