

TRUSTMARQUE MODERN DATA CENTRE SERVICES

1.1 Service attributes

Service type

Cloud support

1.2 Service name

Service name

TRUSTMARQUE MODERN DATA CENTRE SERVICES

1.3 About your service

Service description

Services that cover multicloud and hybrid cloud scenarios such as VMware, AWS and Azure. Customers can plan there on premises hardware refresh and cloud strategy from a single holistic assessment.

1.4 Service features and benefits

Service features and benefits

Service features

- Migrate data and applications to the cloud
- Update unsupported platforms and applications
- True-up software licenses accurately and efficiently
- Identify cost savings for hardware refresh
- Map application dependencies
- Find best blend of IaaS, PaaS and SaaS
- Identify unused resources, and rationalise workloads
- Procurement and support for Veeam, Cohesity, NetApp, Citrix, VMWare, etc.

Service benefits

- Reduces licence risk and cost
- Reduces migration risk and cost
- Helps pick ideal target location for migration
- Plan on prem and cloud roadmaps holistically
- Delivers Best of Breed solutions

- Maximise the ROI on existing infrastructure

1.5 Planning

Planning

Planning service

Yes

How the planning service works

An assessment provides detailed information around target architectures based on actual resource consumption. It recommends optimisation and transformation options. We can also highlight application dependencies to plan migration stages and roadmaps. Because we can analyse on premises and cloud costs in one assessment, customers can plan their hybrid cloud roadmap (hardware purchases for on-prem but also annual cloud costs) in a holistic manner

Planning service works with specific services

Yes

Hosting or software services the planning service works with

- AWS
- Azure
- VMware
- Hyper-V
- Citrix
- Cohesity
- NetApp

1.6 Setup and migration

Setup and migration

Setup or migration service available

Yes

How the setup or migration service works

Trustmarque has extensive experience in assisting organisations transforming and modernizing their IT estate using cloud technologies.

Trustmarque's cloud architecture teams can lead and support transition to

cloud-based working, and work with you once you are live to ensure that you gain maximum business benefit from your investment in cloud services. Trustmarque has developed several methodologies including the Cloud Application Readiness Assessment (CARA) and Cloud Application Transformation (CAT) programme that can guide you through the assessment of, transition and transformation of workloads to the cloud and can help you to drive down the cost of managing your infrastructure, freeing you to maximise the business value from your IT.

Setup or migration service is for specific cloud services

No

1.7 Quality assurance and performance testing

Quality assurance and performance testing

Quality assurance and performance testing service

Yes

How the quality assurance and performance testing works

An assessment gathers detailed information about performance and displays it in an intuitive interface.

1.8 Security services

Security services

Security services

Yes

Security services type

- Security strategy
- Security risk management
- Security design
- Cyber security consultancy
- Security testing
- Security incident management
- Security audit services

1.16 Social Value

Social Value

Social Value

- Fighting climate change
- Covid-19 recovery
- Tackling economic inequality
- Equal opportunity
- Wellbeing

Fighting climate change

Trustmarque's Environmental Policy and Carbon Reduction Plan include delivering and supporting actions on reducing our carbon footprint and our impact on climate change. We have set a target to achieve net zero by 2035. Our policies include 'Virtual First' meetings, energy reduction plans, flexible working, green software solutions and associated services from innovative suppliers to promote digital environmental innovation, promoting sustainable procurement. Please contact Trustmarque to discuss the provision of Social Value. Any Social Value deliverable must be agreed with Trustmarque and be proportionate to the contract value and scope.

Covid-19 recovery

Trustmarque can provide re-training for those left disadvantaged by Covid-19 through skills training, CV and interview workshops. We promote employment and skills by working with Buyers to identify individuals who can benefit from our incentives, which can include workshops to develop and help those who face barriers to employment and increase digital accessibility for communities and hard to reach groups. We can also provide access to apply for apprenticeship and work experience opportunities. Please contact Trustmarque to discuss the provision of Social Value. Any Social Value deliverable must be agreed with Trustmarque and be proportionate to the contract value and scope.

Tackling economic inequality

Trustmarque tackles economic inequality through operating a diverse supply chain including many SMEs and micro businesses. Our access to a broad range of suppliers ensures both resilience and capacity.

Trustmarque is continuously refining our supply chain to meet the ever-changing needs of our customers and to ensure we can always offer the best solution through capability, capacity and resilience at the best price. Our vendor agnostic approach among suppliers allows us to support innovation and disruptive technologies to deliver lower cost and/or higher quality goods and services to customers. Please contact Trustmarque to discuss the provision of Social Value. Any Social Value deliverable must be agreed with Trustmarque and be proportionate to the contract value and scope.

Equal opportunity

Trustmarque operates an Equal Opportunities policy that outlines our commitments including creating a workforce that reflects the diversity of our communities. Other initiatives include supporting disabled people to develop skills and supporting in-work progression. Trustmarque is a Level 1 Disability Confident employer, demonstrating our commitment to employing a diverse workforce so all can flourish. We are committed to a policy of treating all its employees and applicants equally. We are committed to creating an environment where diversity is valued and respected and where our people can bring their different perspectives, and whole selves to work. Inclusivity and equal opportunities for all colleagues are paramount. Trustmarque is a Living wage employer, and we offer 14–18-month apprenticeships. In February 2024 we launched Encircle our DEI network – made by colleagues, for colleagues to support Diversity, Equity, and Inclusion in the workplace. Please contact Trustmarque to discuss the provision of Social Value. Any Social Value deliverable must be agreed with Trustmarque and be proportionate to the contract value and scope.

Wellbeing

We align our approach to mental wellbeing to the six standards in the Mental Health at Work commitment, including staff work and wellbeing sessions, flexible working, speak-up policy, etc. We have a dedicated team of qualified Mental Health First Aiders who offer support to all Trustmarque Group Colleagues to offer advice regarding how to support and signpost – this is linked to the ALGEE mental health action plan. The Work+Wellbeing team also facilitate workshops or share resources to support wellbeing within the workplace, this can be found on our Work+Wellbeing team via the Trustmarque Hub. We have an Employee Assistance Programme which is available 24/7 to all Trustmarque Group

Colleagues. Please contact Trustmarque to discuss the provision of Social Value. Any Social Value deliverable must be agreed with Trustmarque and be proportionate to the contract value and scope.
