

MASTER AGREEMENT

THIS MASTER AGREEMENT (“AGREEMENT”) GOVERNS THE ACQUISITION AND USE OF VERINT PRODUCTS AND SERVICES. CAPITALIZED TERMS HAVE THE DEFINITIONS SET FORTH HEREIN.

Who is a “Customer” in this Agreement? The term Customer refers to any party (whether end customer or partner) that is consuming products or services from Verint or a Verint affiliate, and/or is conducting activities with Verint, Verint affiliates or other Verint customers and partners through use of products, portal services or other services made available by Verint.

When do these terms and conditions apply? The terms and conditions of this Agreement apply with respect to any of the following:

- If incorporated by reference on or attached to an order made effective between Customer and Verint, a Verint affiliate, or a Verint authorized reseller for a Verint product or service, provided if the order will co-terminate with Verint offerings or is for the same Verint offering on a prior order subject to a prior version of this Master Agreement, that prior version shall continue to apply until the next renewal; and
- For any other products or services provided by Verint or a Verint affiliate, where the product or service is not directly and expressly contracted for under a separate agreement between Verint and Customer.

4.4 Uptime. Verint will use commercially reasonable efforts to ensure that the Hosted Environment will be available 24 hours per day, 7 days per week, excluding any Scheduled Downtime. Daily system logs will be used to track Scheduled Downtime and any other Hosted Environment outages. Verint will provide Customer with a minimum of seven (7) days advance notice of Scheduled Downtime, and post a notice on the application log-in screen to notify Customer administrator of any Scheduled Downtime that will exceed two (2) hours. The duration of any downtime is measured, in minutes, as the amount of elapsed time from when the Hosted Environment is not accessible or does not permit Customer to log on, to when the SaaS Services permits Customer to log on and access the Hosted Environment.

Customer shall only be eligible to request Service Level Credits if Customer notifies Verint in writing within thirty (30) days from the end of the month for which Service Level Credits are due. All claims will be verified against Verint's system records. In the event after such notification Verint determines that Service Level Credits are not due, or that different Service Level Credits are due, Verint shall notify Customer in writing on that finding. With respect to any Services Level credits due under Orders placed directly by Customer on Verint, Service Level Credits will be applied to the next invoice following Customer's request and Verint's confirmation of available credits; with respect to any Service Level Credits due for SaaS Services under Orders placed on Verint by a Verint authorized reseller on Customer's behalf, Service Level Credits will be issued by such reseller following Customer's request and Verint's confirmation of available credits and such Services Level Credits may only be used by Customer with respect to subsequent purchases of Verint offerings through that reseller. Service Level Credits shall be Customer's sole and exclusive remedy in the event of any failure to meet the Service Levels. Verint will only provide records of system availability in response to Customer's good faith claims.

In such instance, the SaaS Access Fees for such Overage shall instead be calculated based on the Fees in most recent Order for the SaaS Service in relation to which the Overage applies. As applicable, Verint may invoice Customer **(a)** in advance for each subsequent Billing Period, including with respect to any renewal Access Terms, **(b)** for Overages in arrears on a quarterly basis, and **(c)** for all other fees, assessments and expenses provided for under this Agreement as performed and/or incurred.

By providing access to the Verint Marketplace, Marketplace Consumer is granted a nonexclusive, revocable, nontransferable, nonassignable right to **(a)** access the Verint Marketplace for its internal business purposes, and **(b)** download and use Verint Content, provided such use of Verint Content is solely in conjunction with other Verint offerings. 2.2 PROVIDER CONTENT. The availability of any Provider Content through the Verint Marketplace is not an endorsement by Verint of such Marketplace Provider or the Provider Content. Marketplace Consumer acknowledges and agrees that nothing in this Agreement or on the Verint Marketplace will be deemed to be a representation or warranty by Verint with respect to any Provider Content or any Provider App, even if identified as "certified" for use with any Verint offering. Verint may, without further notice to Marketplace Consumer, discontinue the listing and/or availability of any Marketplace Content at any time, and without notice.

3 TERMS APPLICABLE TO MARKETPLACE PROVIDERS.

3.1 MARKETPLACE PROVIDER CONTENT LICENSE. 3.2 POSTING CONTENT. Marketplace Providers may submit a request through the Verint Marketplace, or through other processes as instructed by Verint, to post Provider Content on the Verint Marketplace. Marketplace Provider shall include with, or subsequent to, such submissions all information requested by Verint. Verint may, in its sole discretion, reject Marketplace Provider's request for any reason or no reason at all. Additionally, Verint may remove any Provider Content at any time for any or no reason without notice to Marketplace Provider. By providing any Provider Content, Marketplace Provider represents and warrants that such information does not (x) violate any Intellectual Property Rights, or any other legal or equitable rights; (y) violate any law, rule, order, judgment or regulation to which the Marketplace Provider, the Verint Marketplace or the Provider Content may be subject, or (z) violate in any way Marketplace Provider's obligations in this Agreement.

3.4 INDEMNITY. Marketplace Provider, at Marketplace Provider's sole expense, shall defend, indemnify and hold harmless Verint from any action based upon a claim resulting from: (i) a Marketplace Consumer's use of, or inability to use any Provider Content or Provider App, including claims of product liability or fraudulent or misleading advertising on the Verint Marketplace or otherwise, (ii) Marketplace Provider's breach of Section 3.3, (iii) disputes between Marketplace Consumer and a Marketplace Provider, including with respect to any breach of a Marketplace Provider Agreement or failure to put in place a Marketplace Provider Agreement, (iv) the disruption or adverse impact on the security, integrity or operation of a Verint offering arising from Provider Content or Provider Apps, or (v) infringement of any Intellectual Property Rights by Provider Content or Provider Apps, and with respect to (i) – (v), Marketplace Provider shall reimburse Verint for all damages, costs, and expenses (including reasonable attorneys' fees) incurred by Verint pursuant to any such actions.

4 GENERAL TERMS APPLICABLE TO THE VERINT MARKETPLACE.

Additionally, depending on a Customer's activities within the Verint Marketplace, a Customer may be acting in the capacity of both a Marketplace Consumer and Marketplace Provider, and the terms applicable to each shall apply to Customer as applicable to such activities.

4.2 EXCEPT WITH RESPECT TO SECTION 2.4, THE VERINT MARKETPLACE AND ALL MARKETPLACE CONTENT IS PROVIDED "AS IS" AND AS AVAILABLE AND VERINT MAKES NO (AND HEREBY DISCLAIMS ALL) WARRANTIES, REPRESENTATIONS, AND/OR CONDITIONS, WHETHER WRITTEN OR ORAL, EXPRESS, IMPLIED, OR STATUTORY RELATING TO THE VERINT MARKETPLACE AND/OR ANY MARKETPLACE CONTENT, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, TITLE, OR FITNESS FOR A PARTICULAR PURPOSE. VERINT IS NOT RESPONSIBLE FOR ANY ACTS OR OMISSIONS OF ANY MARKETPLACE CONSUMER OR ANY MARKETPLACE PROVIDER OR FOR ANY ADVERSE OR OTHER IMPACT OF PROVIDER CONTENT OR PROVIDER APP ON VERINT OFFERINGS. VERINT, IN ITS SOLE DISCRETION, MAY CEASE TO OPERATE THE VERINT MARKETPLACE AT ANY TIME WITHOUT NOTICE TO MARKETPLACE CONSUMERS OR MARKETPLACE PROVIDERS.

1 DEFINITIONS.

End User. An entity licensing or subscribing to one (1) or more Verint offering.

Open Source Code. Any technology from the open source community, including, but not limited to, any software that requires, as a condition of use, modification and/or distribution of such software, that other software incorporated into, derived from or distributed with such software be disclosed or distributed in source code form, licensed for the purpose of making derivative works, or redistributable at no charge.

Partner Agreement. An active and valid written agreement signed between Customer and Verint that includes express terms authorizing such Customer to resell or market Verint offerings to End Users or some other form of definitive business arrangement contemplating the use of Verint Intellectual Property for the benefit of End Users.

Run-Time Software. Any software included with the SDK licensed to Customer hereunder, where such software is provided in object code form and required for use of an Interface Application with a Verint product or service.

SDK. The software development kit licensed by Customer from Verint, and includes all Documentation and other information related thereto (including, without limitation, all manuals, program listings, data models, sample code, Run-Time Software, flow charts, logic diagrams, input and output forms, specifications, application programming interfaces and other schematics), but does not include any Interface Application(s). For the purposes of this Agreement, the SDK shall be considered a Verint "Licensed Product" for all purposes.

2 LICENSE.

2.1 SDK License. Verint grants to Customer, and Customer accepts a nonexclusive, nonassignable, and nontransferable limited license to use the SDKs made available to Customer through the Portal Services solely by Customer's Personnel for Customer's internal business operations to create Interface Applications for use in accordance with and subject to the terms and conditions of this Agreement. Use of the SDK by Customer, Customer's Personnel or any other party authorized hereunder shall at no time be used for any purpose other than the integration of a Verint offering to a product provided by Customer or its third party licensors.

2.2 License of Interface Application. Subject to Customer's compliance with the terms and conditions of this Agreement and (where applicable) a Partner Agreement, Customer shall also have the limited right to license Interface Applications to End Users for the limited purpose of integrating a third party product with a Verint offering licensed or subscribed to by that End User. In the event the SDK licensed hereunder includes, as delivered by Verint, any Run-Time Software, then Verint grants to Customer and Customer accepts a nonexclusive, nonassignable, and nontransferable limited license to copy, distribute and license to End Users the use of that Run-Time Software; provided, Customer has entered into a legally binding agreement with such End User(s) with terms that, in addition to any other requirements set forth in a Partner Agreement, (1) limit use of the Run-Time Software solely to internal use by that End User and solely with respect to use in conjunction with an Interface Application and a Verint offering, (2) provide no less protection for Verint Intellectual Property than provided herein this Agreement, and (3) do not expand in any way Verint's liability

hereunder this Agreement. Any such copies must include all Verint and Verint licensor copyright, confidentiality, or other proprietary notices, marks or any legends placed on, embedded or otherwise appearing in or on the delivered Run-Time Software. For the avoidance of doubt, nothing in this Agreement provides Customer with the right to provide a copy of or license the use of the SDK to any End User.

3 INTELLECTUAL PROPERTY.

3.1 Ownership. The parties acknowledge and agree that (i) Verint owns or has rights to license the SDK, and that all Intellectual Property Rights in and to the Verint Intellectual Property, and derivatives thereto are and shall remain vested in Verint or its licensor(s), and (ii) except to the extent the Interface Application contains any Verint Intellectual Property, Customer owns all other Intellectual Property Rights in and to the Interface Application. Notwithstanding the foregoing, nothing in this Agreement shall prevent Verint and/or other Verint partners and customers from using an SDK to independently develop interface applications, including interface applications that are the same or similar to any Interface Applications developed hereunder. To the extent such independently developed interface applications would infringe any Intellectual Property Rights arising from Interface Applications developed hereunder, Customer grants to Verint an unlimited, worldwide perpetual license in and to the Intellectual Property Rights necessary for Verint and its other partners and customers to develop and use the same and/or similar interface applications.

3.2 Open Source. Customer represents and warrants that (i) any Customer products (including any if its third party licensor products) applicable to this Agreement, and any Interface Application developed by or on behalf of Customer under this Agreement, will not contain any Open Source Code which would (a) create obligations, or purport to create obligations for Verint with respect to any Verint product or service or Verint Intellectual Property, or (b) grant, or purport to grant, to any third party any rights or immunities in, to or under Verint product, service or any other Verint Intellectual Property, and (ii) to the extent of any Open Source Code contained in any Customer products or any Interface Applications, Customer has complied with all requirements of those Open Source Code license(s) pursuant to which it obtained source code which may have been used to develop, and/or is contained in, such products and the Interface Application and that each shall be compliant with all such Open Source Code license requirements.

3.3 Third Party Licenses. Customer acknowledges and agrees it is solely responsible for procuring or otherwise obtaining any third-party software, interface licenses, or other licenses in any Intellectual Property Rights necessary for the use of any Interface Application developed hereunder.

4 INTERFACE APPLICATION DEVELOPMENT. Customer shall be responsible for developing and supporting any Interface Applications. Customer's responsibilities shall include, but not be limited to: (i) developing, testing and deploying the Interface Application, (ii) configuring the Interface Application to interface and communicate properly with Verint product(s) and service(s), and (iii) updating and maintaining the Interface Applications as necessary for continued use with the same or different versions of Customer and/or third party licensor products, and Verint product or service.

5 INDEMNITY. Customer, at Customer's sole expense, shall defend, indemnify and hold harmless Verint from any action based upon a claim resulting from the creation, integration, reproduction, distribution, licensing, use, inability to use, or third-party proprietary right infringement by Customer's Interface Applications, or other products, marks, and/or services of Customer or any of its suppliers.

MOBILE APP TERMS

1 DEFINITIONS.

Mobile Device. A mobile telephone, tablet device or other handheld device.

2 LICENSE. By downloading or using a Mobile App, Customer is granted a nonexclusive, revocable, nontransferrable, nonassignable limited right to install and use the Mobile App on a Mobile Device, and to access and use the functionality on such Mobile Device strictly in accordance with the terms of this Agreement and solely for the Verint product or services intended purpose. The license granted hereunder to use the Mobile App is contingent upon Customer's purchase (either directly, or indirectly through the relevant Verint product or service licensee) of connectivity licenses from Verint for the right to connect the Mobile App to the Verint product and/or service, and then that Mobile App license is only valid for so long as Customer continues to have a valid license or right to the other Verint product or service.

3 RESTRICTIONS. Customer shall not install, use or permit the Mobile App to exist on more than one Mobile Device at a time or on any other mobile device or computer, other than by means of separate downloads of the Mobile App, each of which is subject to a

separate license (this restriction however does not limit Customer's right to reinstall the Mobile App on the specific Mobile Device for which it was downloaded).

4 SUPPORT AND RESPONSIBILITIES. Verint has no obligation to maintain or support any Mobile App. Verint may, without further notice to Customer, discontinue the availability of the Mobile App, and may periodically access Customer's Mobile Device remotely to update, modify, add to or upgrade the Mobile App. Such updates, modifications, additions or upgrades may cause data loss or other issues. Customer is solely responsible for regularly backing Customer's data to prevent this from occurring. Customer acknowledges and understands that certain services or aspects of the Mobile App require and utilize phone service, data access or text messaging capability. Carrier rates for phone, data and text messaging may apply and Customer is responsible for any such charges.
