

## Pricing Document

This document describes the pricing that is applicable to the G-Cloud 14 Framework (cloud support) provided by Mercator IT Solutions Ltd.

### Pricing

- All prices in the Mercator rate card document are quoted on per person/per day basis.
- Mercator is happy to estimate a number of days required to provide an overall service which can be procured together. Day rates provided with the service definition are maximum charges.

### Discounts

We do not currently offer volume or combination discounting but are commercially flexible. Mercator is willing to negotiate volume discounting and/or fixed price, risk/reward or milestone based commercial models on a case by case basis.
