## Pricing Overview

Version 1's services are priced by a common set of rates tables, based on the 'Skills for the Information Age (SFIA)' Definitions & Rate Card.

Our rate structure provides customers with the option to select either On-shore (Table 1) Nearshore (Table 2) or Off-Shore Consultants (Table 3) within each category, depending on the delivery model chosen.

The benefit to your business is that Version 1 can provide an efficient and economical delivery model allowing clients to add technical resources quickly to meet growing needs.

Further details can be provided if required. Version 1 would be delighted to engage with you to determine the best fit for your projects to achieve the outcomes you need.

Once agreed, this would form the basis of the order, and be subject to the Call-Off and Version 1 Terms and Conditions that support this service.
