

# Rowe IT G-Cloud Pricing

## 1 Overview

Cloud hosting and support is provided by Rowe IT in one or a combination of:

- Time and Materials
- Fixed Cost

## 2 Time & Materials

Time and materials are charged at rates outlined in the *SFIA Rate Card* and are charged as per consultant per day.

Volume discounts may be applicable when services are purchased for extended periods of time. These will be confirmed during initial discussions.

A service may be delivered for a fixed price where the scope and deliverables are clear. This will be discussed during initial discussions with the consumer on a project by project basis.
