Ergon Limited – Pricing Document – G-Cloud Services 2024/25

Ergon prides itself on providing competitively priced and high quality solutions to their clients - we operate a flexible, open-book pricing structure based on mutually beneficial commercial partnerships.

All our services are available on a simple menu basis, so depending on the make-up of a particular service solution, volume and combination discounts are encouraged and available on a case-by-case basis. For example -

Standard rate

2% discount

4% discount

Assignment duration up to 26 weeks

Assignment weeks 26 – 52 weeks

Assignment weeks 52 onwards

Services that include our standard templates, models, and methodologies do not incur any additional costs associated with their use. Any required use of third party tooling will be pre-agreed and charged at the prevailing supplier rate.

Our standard resource based price structures are as listed on our SFIA submission, but can be summarized as –

Standard rates -
