

Test Healthcheck - Pricelist

Role	Price (per day) from
Test Consultant Focuses on delivering the three stages of Resillion's Testing Process Improvement Model). This role can be located on the client's site with some work undertaken at other sites (e.g. Supplier sites) or work remotely or a combination as required.	£850

Pricing Details

- Typically a Test Healthcheck Initiative is undertaken within a 10 – 15 day time box therefore for budgetary purposes an estimate of total cost would be in the region of £8,500 - £12,750 plus VAT. The amount of days deployed is typically based on criteria such as the size, complexity, scope, number of resources involved, and number of sites to review.
- All prices exclude VAT which is charged at the prevailing rate and include expenses for services delivered to the nominated client office
- Where appropriate and with agreement of the client more than one Test consultant may be used to support the Test Healthcheck.

About Resillion

Resillion is a global quality engineering and cyber security partner from initiation to launch, with best-in-class technologies, leading solutions, and industry recognised services to support our clients throughout the digital lifecycle. By leveraging the latest technologies, an innovation-first mindset, and industry best practice, we are advocates for staying ahead of the competition and achieving strategic objectives.

The company delivers end-to-end solutions to support clients throughout their strategic digital initiatives offering a holistic offering across software and hardware.
