Security Awareness Testing & Training as a Service

Pricing

Management Costs

For the initial setup and configuration of the Service there would be a one off cost charged as below:

Description	One Off Charge (Excluding VAT)
Onboarding, configuration & testing of the KnowBe4 Security Awareness and Testing platform with the Organisation's email system.	£2,999.00

Once the system is live, the Organisation may then pay for the ongoing, proactive management of the KnowBe4 platform with two different Service Levels:

Description	Monthly Charge (Excluding VAT)
Fully Managed - Management of the KnowBe4 Platform - Monthly Service Checks & Best Practice Recommendations - Monthly Business Information Reports	£500.00
Premium Managed - Management of the KnowBe4 Platform - Weekly Service Checks & Best Practice Recommendations - Weekly Business Information Reports	£950.00
