Pricing

NCL's SFIA rate card – for our UK-based staff only – is available to the entire UK Public Sector and applies to deployment of employees within the UK for IT activities.

Provision of this service is based on a Time and Materials basis using NCL's SFIA Rate Card, with levels of responsibility as described in the SFIA framework.

The skill levels required for this service typically require a blend of resources which vary depending on the particular requirements. These resources will be determined by appropriate scoping exercises and agreed in advance.

Pricing excludes technology; however, this can be incorporated into the price for the engagement.

All prices quoted are exclusive of VAT.

Prices and Service Descriptions are subject to G-Cloud Supplier Terms and Conditions.
