Governing Law and Jurisdiction

These Terms will be governed by the substantive laws of the State of Minnesota, without respect to its conflict of laws principles. The parties acknowledge that these Terms evidence a transaction involving interstate commerce. The Federal Arbitration Act (9 U.S.C. §§ 1-16) (as it may be amended, "FAA") governs the interpretation and enforcement of the Arbitration Agreement below and preempts all state laws (and laws of other jurisdictions) to the extent permitted by applicable laws and regulations. If the FAA is found to not apply to any issue that arises from or relates to the Arbitration Agreement, then that issue will be resolved under and governed by the law of the U.S. state where you live (if applicable) or the jurisdiction mutually agreed upon in writing by you and us. You agree to submit to the exclusive personal jurisdiction of the federal and state courts located in Minneapolis, Minnesota for any actions for injunctive or equitable

relief, or any appeals of an arbitration award, or for trial court proceedings if the Arbitration Agreement below is found to be unenforceable. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded.

Should you object to any provisions in these Terms, or to any subsequent modifications to them, your only recourse is to discontinue use of this Site.

Arbitration Agreement

Except where prohibited by law, you and Jamf agree that any dispute, claim, or controversy arising out of or relating to these Terms or your use of the Site will be resolved exclusively by final and binding arbitration, rather than in court. Before initiating arbitration, you must first contact us at legal@jamf.com <<mailto:legal@jamf.com>> to attempt to resolve the dispute informally. If the dispute is not resolved within 60 days, either party may commence arbitration with JAMS, to be conducted by a single arbitrator under the JAMS rules. Arbitration will take place in Minneapolis, Minnesota, unless otherwise agreed.

The arbitrator will have exclusive authority to resolve all disputes regarding the scope, interpretation, enforceability, or formation of this arbitration agreement. Either party may seek injunctive or equitable relief in court for data security or intellectual property matters or bring qualifying claims in small claims court. Arbitration will be conducted on an individual basis only.

You may opt out of this arbitration agreement within 30 days of accepting these Terms by emailing legal@jamf.com <<mailto:legal@jamf.com>> with your full name and a statement of your intent to opt out. If any part of this clause is found unenforceable, the remainder will still apply.

WE MAKE NO GUARANTEES AND PROVIDE NO WARRANTY REGARDING EXTERNAL INTEGRATIONS OR THIRD-PARTY CONTENT AND WE DISCLAIM ALL LIABILITY FOR ANY DAMAGES OR LOSS RELATED TO THEM.

12. Limitation of Liability.

- a) TO THE MAXIMUM EXTENT PERMITTED BY LAW, AND EXCEPT FOR DAMAGES ARISING FROM YOUR BREACH OF JAMF'S INTELLECTUAL PROPERTY RIGHTS, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, SPECIAL, INDIRECT, CONSEQUENTIAL, OR PUNITIVE DAMAGES, INCLUDING DAMAGES FOR LOST TIME, LOST SAVINGS, LOST DATA, OR FOR BUSINESS INTERRUPTION UNDER ANY THEORY OF LIABILITY, EVEN IF ADVISED OF THE POSSIBILITY OF THOSE DAMAGES.

13. Third-party Indemnification.

- a) **Indemnification by Jamf.** We will defend you against any third-party claim alleging that your use or possession of the Product Offerings in accordance with this Agreement infringes that third-party's Intellectual Property Rights ("**IP Claim**") and we will indemnify and hold you harmless from and against any fines, damages, and costs incurred (including reasonable attorney's fees) finally awarded against you by a court of competent jurisdiction or agreed to by you in a settlement as approved by us resulting from that IP Claim.
 - i) The defense and indemnification obligations in Section 13 a) do not apply if the IP Claim arises because of your combination of the Product Offerings with non-Jamf products or software; your modification of the Product Offerings made without our written approval; or your use of the Product Offerings in violation of this Agreement.
 - ii) If a Product Offering becomes or in our opinion is likely to become the subject of an IP Claim, we will at our option and expense: (1) obtain a right for you to keep using the Product Offering, (2) modify or replace the Product Offering to make it non-infringing without materially reducing its functionality, or (3) terminate the Agreement and refund any prepaid but unused fees.
 - iii) This Section 13 a) states your sole and exclusive remedy and our entire obligation for any IP Claim.
- b) **Indemnification by Customer.** You will defend us against any claim by a third party arising from or related to (i) any Customer Content or Personal Data that you provide to us under this Agreement and (ii) your use of any Third-party Content or External Integrations with the Product Offerings, and you will indemnify and hold us harmless from and against any fines, damages, and costs incurred (including reasonable attorney's fees) finally awarded against us by a court of competent jurisdiction or agreed to by us in a settlement resulting from such claims.
- c) **Procedure.** A Party's indemnification and defense obligations under Section 13 apply only if the other Party (i) provides the indemnifying Party sufficient written notice of any claim so that the indemnifying Party is not prejudiced by a delay and (ii) allows the indemnifying Party sole control over the defense of the claim and reasonably cooperates (at its expense) if asked for assistance. The indemnifying Party will not, without the other Party's prior written consent,

which will not be unreasonably withheld or delayed, settle any claim that obligates the other Party to admit any liability or pay any unreimbursed amounts to the claimant.

14. Term, Termination, and Suspension.

- a) **Term.** This Agreement is effective on the Effective Date and will continue until all Subscription Terms (including any renewal term(s)) have expired or been terminated as permitted in Section 14. If indicated on a Quote or Order, subscriptions for some Product Offerings may automatically continue after the initial Subscription Term for a renewal term unless you provide us at least 60 days notice of non-renewal or termination prior to end of the applicable Subscription Term.
- b) **Mutual Termination.** Either Party may terminate this Agreement if the other Party fails to cure any material breach of it (including your failure to pay applicable fees when due) within 30 days of receiving written notice. Either Party may immediately terminate this Agreement if the other Party has ceased to operate in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets, or becomes the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding.
- c) **Hosted Services Suspension.** We may suspend your access to the Hosted Services if we (i) reasonably determine that your use of the Hosted Services poses a security risk to or may adversely impact us or other Jamf customers or (ii) reasonably suspect fraud or abuse related to your use of the Hosted Services. We will give you notice before suspending your access if permitted by law or unless we reasonably determine that providing notice could potentially harm us or other Jamf customers. We will restore your access promptly after you resolve the issue that led to the suspension. We may terminate your access to the Hosted Services and/or this Agreement if you fail to cure the issue within 30 days of the suspension notice. You remain responsible for payment during the suspension period, and you will not be entitled to any SLA Credits under the SLA for any suspension period that is due to your misuse of the Hosted Services.
- d) **Termination by Jamf.** We may immediately terminate access to the Product Offering with notice to you (i) if we believe providing the Product Offering could create a substantial security risk for us, our Affiliates, our service providers, or any other Jamf customer or (ii) to comply with applicable law or requests of governmental entities. We may also suspend or terminate the Hosted Services and take defensive action we consider necessary in the event of any third-party attack upon the Hosted Services that may significantly affect it, e.g., a Distributed Denial of Service (DDoS) attack.
- e) **Effect of Termination.** Upon termination for any reason, you will stop using the Product Offering and destroy all copies of Software and Documentation (certifying the destruction) or return them to us, as directed by us.

15. Confidential Information.

- a) **Use and Protection of Confidential Information.** In connection with performing their obligations under this Agreement, either Party may provide Confidential Information to the other Party. The Receiving Party will only use the Disclosing Party's Confidential Information if necessary to perform its obligations under this Agreement and will protect the Disclosing Party's Confidential Information using the same degree of care it uses to protect its own Confidential Information (but no less than a reasonable degree of care). The Receiving Party will only disclose Confidential Information to its employees, officers, agents, independent contractors, and representatives who have a need to know it to perform obligations under this Agreement and who are subject to confidentiality obligations no less restrictive than those found in Section 15. The Receiving Party may not disclose Confidential Information to a third party, except as allowed or required to perform its obligations under this Agreement and only if the third party is subject to confidentiality obligations at least as restrictive as those found in this Section 15. The Receiving Party acknowledges that it may receive Confidential Information from the Disclosing Party that constitutes material non-public information as defined by U.S. federal and state securities laws and that trading in the securities of the Receiving Party based on that material non-public information may be prohibited by those laws. Without limiting the restrictions of this Agreement in any way, the Receiving Party will not use any Confidential Information in violation of those securities laws.
- b) **Notice of Unauthorized Disclosure.** The Receiving Party agrees to immediately notify the Disclosing Party of any misuse, misappropriation, or unauthorized disclosure of Confidential Information that may come to its attention.
- c) **Compelled Disclosure.** If the Receiving Party is required by applicable law or a valid legal order to disclose any Confidential Information or the fact that such Confidential Information has been made available to the Receiving Party, the Receiving Party will, if permitted by applicable law, give the Disclosing Party reasonable advance written notice of that requirement so that the Disclosing Party may pursue its legal and equitable remedies to prevent or limit the

potential disclosure. If the Receiving Party is still required to disclose the Confidential Information, it will only disclose the portion of Confidential Information that it is required to disclose and use reasonable efforts to ensure that the Confidential Information is protected.

- d) **Remedies.** The Receiving Party acknowledges and agrees that a breach of any of the obligations in Section 15 may cause irreparable injury and will entitle the Disclosing Party to seek equitable relief or other remedy by a court of competent jurisdiction. The remedies in Section 15 are in addition to and are not a replacement for, or limited by, the rights and remedies otherwise available under applicable law.
- e) **Continuing Obligations.** The provisions of Section 15 will survive for a period of three years from the date of termination of this Agreement for any reason, except for trade secrets for which the obligations will continue for as long as the Confidential Information legally remains a trade secret. The Receiving Party agrees that upon any termination of this Agreement for any reason, the Receiving Party will promptly destroy (certifying to that destruction in writing) or return to the Disclosing Party all Confidential Information including any originals, copies, or reproductions in any form and any other information provided to the Receiving Party by the Disclosing Party.
