For any changes during the project which lead to requirement for additional services not included within the agreed statement of work, this will be scoped and charged at a rate of £995 per day.

The price for the Evotix Learn solution is based on an organisation size of up to 500 employees. Should your business be larger than 500 employees, please get in touch.

2. Training

Online training via webinar is priced from **£950 +VAT per day**. To gain maximum benefit we recommend a classroom size limit of seven users, however we can deliver multiple webinar sessions per day in order to reach a larger audience.

Learn has been designed with the user in mind, combining an intuitive consumer style interface with a corporate strength backbone. As a result, it meets business requirements while being straightforward and intuitive to use – not just by experts but by your organisation at large.

Administrator training is delivered organically throughout the implementation process as we collaborate on the configuration of the solution with your project team. All licensed users of Learn have access to our Knowledge Base, which contains a variety of help videos and articles.

3. Support

Included is our standard support offering, which includes access to our Technical Support Desk between 8.30am–5.30pm, Monday to Friday.

Should you require additional support outside of these hours, or any services not included in our support listing above, please contact Evotix to discuss.
