EVOTIX LEARN

Overview

Evotix Learn

Train Smarter.
Work Safer.
Stay Compliant.

Transform Workplace Learning with Evotix

Evotix Learn is a digital training platform built to deliver safety and compliance training at scale.

Designed for modern EHS teams, it helps organisations take control of their training programs with an engaging, flexible eLearning solution that fits the needs of a global, diverse workforce.

Make it **easy for employees** to complete essential training anytime, on any device.

Fully integrated with your EHS&S platform, Learn gives you complete visibility across training, compliance and workforce readiness. You can easily track progress, report outcomes and demonstrate compliance while building a strong safety culture.

Deliver engaging eLearning across your entire workforce.

Boost training retention with engaging formats.

Own your training content and tailor to your business.

Track progress and demonstrate compliance.

Drive Engagement, Compliance and Safety

Reach 100% of Your Workforce

Deliver standardized training online, offline and on any device, ensuring accessibility for all employees.

Improve Training Retention

Turn long in-person sessions into manageable, bite-sized courses with interactive quizzes for knowledge and completion checks.

Adapt Training For Any Role or Compliance Need

Tailor content to meet business and regulatory requirements. Get started quickly with a library of 150+ training courses from accredited providers.

Maintain Compliance Tracking

Integrate with your Evotix EHS&S system to automatically manage and track your training requirements for any job role and competency.

Improved Workplace Safety

Deliver engaging, relevant safety training that helps improve hazard awareness and prevent workplace incidents.

Capabilities That Drive an Engaging Learning Experience

eLearning Platform

Ensure employees can access training on any device, at any time.

Bite-Sized Training

Make training engaging and manageable with interactive formats including short courses, videos and articles

Knowledge Quizzes

Embed quizzes to support knowledge retention and completion checks.

Gamification

Leaderboards, awards and comments engage learners beyond their course.

Additional Resources and Information

Make additional resources easy to find with search, interests and bookmarks.

Multiple Language Support

Create seamless, standardized training experience for a global workforce.

Own Your Training Content – From Creation to Delivery

Off-The-Shelf Courses

Get started without delay with a library of over 150+ off-the-shelf training courses by accredited content providers.

Add Your Own Content

Import existing material or create your own content with block editor tools. Create videos, build your own quizzes and import SCORM, presentation, PDF files and more.
