 - Training (via 'Train-the-Trainer' approach)
 - Export/Import Language Translations (up to 3 additional languages) *
 - Go-Live & Post Go-Live support
 - Project Management

* Language translations provided by customer

Module License Fees

Below is the license fee *per* module, capped at organisation size of 1000 staff:

Module (Using FastStart methodology)	License Fee
Training and Competency Management	£15,000
Employee Engagement	£15,000
Learn Integration	£15,000

Scoping/Design & Implementation Fees

Projects below use scoping & implementation methodology (to include design workshop, configuration specifications, and a configuration allowance – all of which are not to exceed maximum hours indicated with module fee).

Implementations using this methodology have the Base Implementation Fee: £45,000 (+ fee per module selected). Not included in the fixed fees are legacy data migrations, API Integrations, which would have to be scoped separately.

See table below:

Module (using Scoping/Design & Implementation methodology)	Small		Medium		Large	
	Fee	Max Hours	Fee	Max Hours	Fee	Max Hours
Training and Competency Management (incl. Employee Engagement and Learn Integration)	£ 15,000	58	£ 25,000	100	£ 34,000	132
