Author: System C Healthcare Limited
Version: Final
Updated: 30 January 2026
Classification: COMMERCIAL IN CONFIDENCE

Confidentiality / Document control

This document contains information that is confidential to System C Healthcare Ltd (System C) and is submitted by System C in order for the potential customer to use it solely for the purposes of evaluating System C's proposal and it must not be used for any other purpose nor disclosed to any other party, either whole or in part, without the prior written consent of System C except as follows. The potential customer may permit those of its employees, advisors and agents having a need to know the contents of this proposal, to have access to such of the contents as are strictly necessary, but the potential customer shall ensure that such employees, advisors and agents are bound to it by an obligation, in similar term, to keep it confidential. The potential customer's acceptance of these obligations shall be indicated by the customer's use of any of the information contained in this document.

System C acknowledges that the potential customer may be bound by the Freedom of Information Act 2000 (FOIA). In such a case System C considers that the contents of this document are confidential and exempt from disclosure pursuant to section 41 of the FOIA. The potential customer should consult System C before making any disclosure of information relating to System C under the FOIA. System C's pricing information, methodologies, solutions, as well as reference to System C clients and their projects are always considered by System C to be exempt from disclosure by virtue of section 41 and 43 of the FOIA, whether indicated or not.

Product Information: Any descriptions of future functionality reflect current product direction, are for informational purposes only and do not constitute a commitment to provide specific functionality. Timing and availability remain at System C's discretion and are subject to change and applicable regulatory approvals.
