

# Preferring Pricing for LPMO – PMO-as-a-Service

January 2026

Beautifully  
Uncomplicated

## Preferred pricing for Public Sector, Charitable Organisations, and Education

For all qualifying organisations we provide a 5% discount off our standard pricing detailed below:

Pricing for the LPMO service is on an annual subscription basis.

The annual fee is based on the overall volume of employees in your operation (department or organisation) for which the service is set up

Subscription fees are payable annually in advance.

Minimum term of 12 months.

Discounts applicable to multi-year agreements

Subscription covers all set up and hosting of The Anywhere Platform, maintenance, and technical support.

Training of Administrators

Monthly technical change management.

| Service                      | Scope                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
