PERSEUS® Revenues and Benefits Platform Pricing

PERSEUS® REVENUES AND BENEFITS MANAGEMENT PLATFORM - PRICING

PERSEUS® pricing is based on a monthly Cloud fee, incorporating core on-boarding and maintenance services.

The monthly fee is £ 16,680.00 and covers an unlimited number of internal and external users (users of e-services, namely pensioners, insured persons and employers).

Where additional development and implementation costs are incurred, these can be commercialised separately by purchasing our "Platform Implementation" service listed under Lot 3. These costs are derived from the size and scope of the requirements needed by the authority.
