Rubrik Backup-as-a-Service (BaaS)

Lot 3 – Cloud Support Pricing

Rubrik Backup-as-a-Service is priced on a per-terabyte (TB) per month basis. Pricing covers the provision, management, monitoring, and support of the Rubrik BaaS platform in line with the service definition. All prices are exclusive of VAT.

Service Tier	Description	Price per TB (per month)
BaaS Foundation	Core backup and recovery for essential workloads	£30.39
BaaS Standard	Enhanced protection and reporting features	£37.13
BaaS Enterprise	Advanced resilience and governance options	£39.50
BaaS Enterprise Plus	Extended retention, security, and recovery capabilities	£53.31

Pricing scales linearly based on the total protected data volume. Service tiers are selectable at call-off. Any additional professional services or bespoke requirements are priced separately under an agreed Statement of Work.
