

G-Cloud 15 Day Rates

This guide outlines our pricing for the daily rates for our people. All of the costs in this document are exclusive of VAT. If you'd like help with pricing calculations for your project, please email Matt Howard & directors on directors@s8080.com

Every member of our team has been with us for many years, and are all experienced senior level practitioners. We do not use contractors or freelancers. We aim to keep our pricing transparent, and to help you plan for the maximum contract extension period, **below we detail discounted rates for the years 2026**
