

SERVICE OVERVIEW

Roq's Accessibility Testing service provides support for all aspects of accessibility testing, aligned to current legislation and best practices, including W3C Web Content Accessibility Guidelines and UK GDS accessibility acceptance criteria. Roq leverages market leading assistive technologies including screen readers, screen magnifiers and speech recognition tools to ensure a comprehensive test base for validating the quality of Accessibility Capabilities.

SERVICE FEATURES

- Develop an organisational accessibility quality strategy
- Develop, execute and report on tests tailored to requirements
- Update current UI design practices with accessibility as a priority
- Develop practices, standards and procedures that consider accessibility early
- Build and validate services with common assistive devices
- Produce accessible content for users with accessibility needs

SERVICE BENEFITS

- Embed accessibility first as a value in your organisation
- Validate that all applications and services meet desired accessibility needs
- Gain accessibility guidance aligned to relevant requirements and legislation
- Meet and exceed current legislative requirements
- Increase useability of services for your audiences
- Reach new customers/users

ABOUT ROQ

Roq is an independent, outcomes focused Quality Engineering consultancy. We give organisations the confidence to implement complex technology change through Quality Engineering, delivered by our brilliant people. By leveraging our comprehensive solutions, built upon our Q-Suite, a comprehensive collection of assets, AI and automation frameworks, and a consistent way of working, we keep focus on what truly matters to you.

Whether you are rolling out new platforms, modernising legacy technology, or delivering large-scale upgrades, we help you move at pace, without sacrificing quality. Partnering with us leaves your organisation in a better place for the future.

Our Quality Engineering solutions are tailored to build confidence into your technology delivery, no matter your sector. With proven expertise, innovative approaches, and deep industry insights, we ensure your technology consistently delivers exceptional performance and outstanding user experiences.

OUR VALUES

Straight Talking: We say it how it is, using open, honest and direct communication. You'll always have full visibility on progress, with clear, candid insights and independent guidance, so you are empowered to make informed decisions.

Excellence: We leverage our expertise to drive efficiency and deliver the best outcomes, maximising value for you at every step.

Passionate: We care about what we do. We're motivated by proactively identifying risks throughout the lifecycle, to help you prevent issues before they arise and stopping them from recurring.

Commitment: We see it through, and we deliver on our promises whilst surpassing expectations. You can be confident that we're committed to making measurable improvements that leave a lasting impact. We'll work closely with your team and implement sustainable practices to ensure long-term success.
