Where you ask us to provide you with one or more Moata products and/or any Moata-related consultancy services, and we are happy to provide the same to you, you and we will complete, agree and sign an Order Form for the Moata products and/or consultancy services. Each Order Form will include:

- (a) details of the Moata product(s) you wish to subscribe for, together with details of any consultancy services you would like us to provide in relation to those products;
- (b) the Start Date, Initial Subscription Period, Agreed Scope of Use, length of any Renewal Period and Charges arrangements for each Moata product;
- (c) the Consultancy Start Date, Consultancy Services Period and Charges arrangements for any Moata consultancy that you wish to purchase; and
- (d) any other matters that you and we agree to document in the Order Form.

3.2 It is on the date that an Order Form is executed (i.e. the date you sign it following signature by us, or vice versa) that a legally binding contract is made between you and us for the Moata Services set out in the Order Form (**Contract**). Subject to Clause 3.3 and any amendments in accordance with Clause 7, each Contract consists of:

- (a) the Order Form;
- (b) these General Terms (in the form existing at the date of the Contract);
- (c) the relevant Product Specific Terms for each of the Moata Products or that apply pursuant to Clause 3.3, as set out in the Order Form, and in the form existing at the date of the Contract;
- (d) where as part of the Contract you have purchased one or more sets of Moata Consultancy Services, the Moata Consultancy Terms (in the form existing at the date of the Contract);

- (f) the Local Contract Terms (in the form existing at the date of the Contract); and
- (g) any other documents incorporated into the Contract by reference,

to the exclusion of all other terms and conditions (including any terms and conditions which you may purport to apply under any proposal, standard terms of business, purchase order, confirmation of order or similar document).

3.3 Certain Moata products utilise the mapping and other technology/functionality of our Moata Geospatial product (each such product, a **Geospatial Related Product**). Where you subscribe under a Contract for a Geospatial Related Product, your use of that product shall (in addition to the other provisions of the Contract, including the Product Specific Terms for that product) also be subject to the Product Specific Terms for Moata Geospatial, which shall automatically form part of the Contract. If a Moata Product is a Geospatial Related Product, the Product Specific Terms for that product will expressly confirm that the product is a Geospatial Related Product.

4 Provision of the Moata Services

4.1 We will provide: (i) each Moata Product to you during the relevant Subscription Period in accordance with the provisions of the Contract and, in particular, these General Terms and the Product Specific Terms that apply to the Moata Product; and (ii) any Moata Consultancy Services to you during the relevant

Consultancy Services Period only in accordance with the provisions of the Contract and, in particular, these General Terms and the Moata Consultancy Terms. In particular, we will:

- (a) provide each Moata Service in accordance with all applicable laws and using reasonable care and skill consistent with prevailing industry standards;
- (b) use appropriately qualified and trained personnel to perform each Moata Service; and
- (c) aim to provide each Moata Service in accordance with any dates or timetable(s) set out in the Contract, except we cannot and do not guarantee to provide each Moata Service in accordance with any dates or timetable(s).

4.2 In respect of a Contract, and subject to the further provisions of the Contract, we grant you a non-exclusive, non-transferable licence to access and use, and allow your Subcontractors to access and use, Moata and each Moata Product during the Subscription Period solely for your, and your Subcontractors', internal business purposes in connection with the Agreed Scope of Use. This licence will, in relation to a Moata Product, automatically terminate at the end of the Subscription Period for the product.

4.3 The Order Form sets out the Agreed Scope of Use for each Moata Product, which will be on either:

- (a) a "project" basis, in which case you and your Users are only permitted to use the product in connection with the project(s) set out in the Order Form; or
- (b) an "enterprise" basis, in which case you and your Users are only permitted to use the product in connection with the scope of use set out in the Order Form. Where, as part of an "enterprise" licence, we agree that the project(s) in respect of which you may use a Moata Product will be agreed by you and us on an ongoing basis, then we will maintain an up-to-date record of such agreed project(s).

4.4 We will work with you remotely to deploy, and carry out the initial set-up of, each Moata Product that you subscribe for under a Contract so that it is ready for use by you and your Users. We will carry out these deployment activities on or after the Start Date at a mutually convenient date and time agreed by you and us. The scope of the deployment activities will be set out in the Order Form. We will use reasonable endeavours to comply with any reasonable and practicable instructions that you give to us concerning the deployment activities, provided that if any instructions require us to carry out additional work, the additional work will be charged by us to you at our standard hourly or day rates, as applicable. We will tell you if this is the case.

4.5 In respect of a Contract, and except as may otherwise be expressly agreed by you and us in writing (in the Order Form or otherwise):

- (a) only Authorised Users may access and use the Moata Products. Each Authorised User must be an employee, officer, director or other staff member or agent employed or engaged by you or one of your Subcontractors. An individual will cease to be an Authorised User if, at any time, they no longer satisfy the requirements of this Clause 4.5(a);
- (b) if the subscription you have selected for a Moata Product is charged by reference to the number of User Subscriptions, you must ensure the total number of Authorised Users do not exceed the number of User Subscriptions purchased, as set out in the Order Form;
- (c) each Authorised User will be assigned an account with a username and password to access the Moata Product(s). An Authorised User's account credentials must include the user's individual corporate email address. Accounts

cannot be created using generic email addresses that are not assigned to specific individuals;

- (d) you must ensure that the user credentials assigned to each Authorised User are kept confidential and only used by the Authorised User to access and use the relevant Moata Product. Multiple users are not permitted to access and use the same account; and
- (e) if you wish to permanently substitute one Authorised User for another, you may request that we re-assign the relevant account to a new Authorised User.

4.6 We may allow you to access and use certain software applications, solutions and services provided by third parties through Moata that you, outside of your contractual arrangements with us, have the right to access and use (**Partner Solutions**). Where this is the case, additional terms and conditions may apply, which you must comply with. We will notify you of any such terms and conditions.

4.7 If you or your Authorised Users experience any technical issues when using the Moata Products, you or they may contact our support team via our helpdesk at support.moata.com. Upon notification, our support team will try to resolve the technical issue as quickly as possible. Support does not include any issue or question not directly related to the Moata Products or that arises because you or an Authorised User do not know how to use the products properly.

4.8 As part of your subscription to a Moata Product, you and your Users may access and use Moata Community. Moata Community is a discretionary benefit and we may close or suspend Moata Community at any time. You must ensure that your and your Users' use of Moata Community complies with any Mandatory Policies that apply in relation to Moata Community, in particular, the [Moata Community Terms of Use](#).

5 Managing Moata Product subscriptions

5.1 You are only allowed to receive, access and use each Moata Product during the Subscription Period.

5.2 Your subscription to a Moata Product will start on the Start Date and continue, subject to the provisions of the Contract, for the Initial Subscription Period. Each Moata Product may have the same, or a different, Initial Subscription Period.

5.3 Your subscription to a Moata Product will automatically renew for the period set out in the Order Form in respect of the Moata Product (each such period, a **Renewal Period**) at the end of the Initial Subscription Period and any subsequent Renewal Period, except where you and we agree something different and set that out in the Order Form (for example, we may agree in the Order Form that your subscription for a Moata Product will automatically terminate at the end of the Initial Subscription Period or will continue on a rolling basis until either you or we terminate it with an agreed period of notice).

6 Moata Consultancy Services

6.1 If at any time you would like further support, assistance or guidance from us in connection with your and/or your Users' use of Moata and any of the Moata Products – for example, in connection with the uploading or processing of Customer Data, the analysis of Service Outputs, exploring further software development initiatives or the provision of training on how to get the most out of your Moata subscriptions – you can ask us to provide this support, assistance and guidance to you through our Moata consultancy services offering.

6.2 You can ask us to provide our Moata consultancy services to you at any time during the term of a Contract. If we agree to provide you with Moata consultancy under a Contract at the point that you first enter into a Contract, details of the Moata Consultancy Services will be set out in the Order Form. If we agree to provide you with Moata consultancy at a later date, you and we will need to agree a change to the relevant Contract in accordance with Clause 7 and, in such circumstances, details

of the Moata Consultancy Services will be set out in replacement Order Form agreed by you and us.

- 6.3 The provision by us and receipt by you of a set of Moata Consultancy Services under a Contract shall, in addition to the other terms and conditions of the Contract, be governed by our Moata Consultancy Terms, which shall form part of a Contract under which we are engaged to provide those Moata Consultancy Services. Depending on the nature of the services required, and where we have a separate, existing agreement in place between you and us that can cover consulting services, you and we may agree that we are to provide the consultancy services under that existing agreement. Where that is the case, you and we will agree and document the arrangements relating to those consulting services in writing by way of a variation, statement of work, service order or similar, as applicable, under that existing agreement. Such services shall then be provided by us to you under that existing agreement instead of the relevant Contract (and the Contract, including the Moata Consultancy Terms, will not therefore apply to you in relation to those services).

- 6.4 Each set of the Moata Consultancy Services that you purchase under a Contract shall start on the relevant Consultancy Start Date and shall, subject to the further provision of the Contract, automatically terminate at the end of the relevant Consultancy Services Period.

7 Making changes to the Moata Services

- 7.1 You may ask us to make changes to a Contract at any time, including to:

- (a) subscribe for an additional Moata product;
- (b) purchase Moata consultancy services; and
- (c) upgrade an existing Moata Product subscription (for example, to upgrade your subscription package/tier).

- 7.2 If we agree to your requested change, you and we will complete, agree and sign a replacement Order Form that sets out full details of all of the Moata Services you have purchased under the Contract as at the point the change takes effect (i.e. your existing Moata Services, together with the additional Moata Service(s) you have purchased). Once signed, the replacement Order Form will replace the pre-existing Order Form.

- 7.3 The Contract change only take effect once you and we have signed the replacement Order Form. The replacement Order Form will set out details of any additional Charges payable in respect of the changes, together with the agreed payment arrangements.

- 7.4 Notwithstanding Clause 3, where, as part of a Contract change, you purchase:

- (a) a subscription to a new Moata Product, then with effect from the point that the change takes effect under Clause 7.3, the Product Specific Terms for the relevant Moata product (in the form existing as at the date of the Contract change) shall form part of the Contract as part of the Contract change; and/or
- (b) a set of Moata Consultancy Services for the first time under the Contract, then with effect from the point that the change takes effect under Clause 7.3, the Moata Consultancy Terms (in the form existing as at the date of the Contract change) shall form part of the Contract as part of the Contract change.

8 General terms relating to Moata Services

- 8.1 In respect of a Contract, you shall (and you shall ensure your Users shall):

- (a) use Moata and the Moata Services for lawful purposes only, in a manner which is consistent with all applicable laws and regulations, and in accordance with all policies,

procedures and instructions notified by us to you or otherwise placed on Moata from time to time;

- (c) except as expressly permitted by the Contract, not copy, (sub)licence, sell, distribute, reproduce, duplicate, republish all or any part of Moata or the Moata Products or transfer, transmit, forward or make available Moata or any of the Moata Products to any person who is not allowed to access and use the same under the Contract;
- (d) not: (i) modify or adapt all or any part of Moata or the Moata Products; or (ii) de-compile, reverse compile, disassemble, reverse engineer or otherwise reduce to human-perceivable form all or any part of Moata or the Moata Products;
- (e) not access or use all or any part of Moata or the Moata Services in order to create or make available a product or service that is the same as, or similar to, or that competes with, Moata or the Moata Services;
- (f) not attempt to obtain, or assist any third party in obtaining, access to Moata or the Moata Products other than as expressly permitted under the Contract;
- (g) not import or transfer to Moata or any of the Moata Products or use any of the Moata Services to publish, post, disseminate or distribute, either directly or indirectly: (i) any inaccurate, misleading, defamatory, obscene, pornographic, abusive, offensive or unlawful material; (ii) any material that is in breach of any intellectual property or other right of a third party; (iii) any material that facilitates any illegal activity or causes damage or injury to any person or property; or (iv) software or other material that is damaging to Moata or any Moata Product or that could or is designed to harm people's computers, software or web sites, including any viruses, malware or other malicious devices. We may disable your access to, and remove and delete, any material that we consider breaches this Clause 8.1(g) or any other provision of the Contract;
- (h) use suitable computers, computer systems and/or mobile devices to access and use Moata and the Moata Services. We are not responsible for any telecommunications costs that you or your Users incur in connection with the same; and
- (i) have suitable protection for the computers and technology systems used to access and use Moata and the Moata Services, including suitable protection against viruses, malware and malicious devices. We are not responsible for any virus, malware and/or malicious device that affects such computers and technology systems or data as a result of the provision or use of Moata or the Moata Services or the provision or downloading of any materials from Moata or the Moata Services.

- 8.2 You shall use all reasonable endeavours to prevent any unauthorised access to, or use of, Moata and the Moata Products and, in the event of any such unauthorised access or use, promptly notify us of the same.

- 8.3 You acknowledge that your, and your Users', access to and use of Moata and the Moata Services may be subject to additional terms and conditions, as notified by us to you from time to time. You shall (and you shall ensure your Users shall) comply with any such terms and conditions. An example of where we may stipulate additional terms and conditions is where, in respect of a Contract, we make available third party software tools,

solutions or components (**Third Party Components**), the use of which is subject to additional terms and conditions that we need to pass on to you.

- 8.4 You agree to: (i) obtain all necessary licences, permissions and consents required for us to perform the Moata Services; (ii) cooperate fully with us and provide all assistance and information reasonably required by us to provide the Moata Services; and (iii) ensure we have access to appropriate personnel to discuss and/or escalate any issues that may arise in connection with the Moata Services and you agree to provide us with the contact details of such personnel on or promptly following the Contract Date.
- 8.5 In respect of a Contract, you are: (i) responsible for ensuring your Users comply with the provisions of the Contract; and (ii) responsible and liable to us for all the acts and omissions of such persons. In particular, you are responsible for all consequences arising from the use or misuse of any Authorised User credentials. Any usage of Moata or any of the Moata Products from an Authorised User's account shall be deemed to have originated from you.
- 8.6 We rely on the information you provide to us, particularly the information you provide as part of the subscription process. You must keep us informed of any changes to this information and ensure it is accurate and kept up to date.

9 Basis on which Moata Services are provided

- 9.1 Our aim is to make Moata and the Moata Products available for use at all times. However, you acknowledge and agree that: (i) nothing in the Terms or any Contract guarantees that Moata or the Moata Products will be uninterrupted or error free; and (ii) there will be times when Moata and/or some or all of the Moata Products are unavailable. Such unavailability may be planned (for example, if we are conducting planned maintenance or upgrades) or unplanned (for example, if there is a hardware or software failure resulting in service outage).
- 9.2 Where possible, we will try to give you as much notice of any planned unavailability as possible and we will try to keep any disruption resulting from such unavailability to a minimum.
- 9.3 You acknowledge and accept that you and your Users will be unable to access and use Moata and the Moata Products when they are unavailable. Whilst we will try to keep such unavailability to a minimum, we do not accept any liability for any loss or damage that you and/or your Users suffer as a result of Moata and/or any of the Moata Products being unavailable.
- 9.4 We may add to or change Moata and/or any of the Moata Products at any time without notice or explanation and without incurring any liability to you or any of your Users, provided that any changes that we make will, subject to Clause 9.5, not lead to a material degradation in the scope or content of any of the Moata Products.
- 9.5 Notwithstanding any other provision of a Contract, we may at any time and without liability to you remove from the scope of the Moata Products your access to and use of any Third Party Component where the relevant third party licensor requires the removal of the Third Party Component, or our right to make the Third Party Component available through the Moata Services, is terminated, suspended or otherwise restricted.
- 9.6 Whilst we take pride and care in the provision of the Moata Services, Moata and the Moata Services (including any Outputs) are supplied on a strictly "as is" and "as available" basis. The Services, including any Outputs, should never be relied on as any form of guidance, advice or instruction.
- 9.7 You acknowledge and agree (and you shall make sure that your Users understand) that:
- (a) nothing in the Moata Services or any Outputs shall constitute, or be construed as constituting, advice or guidance, or an instruction, inducement, offer,

recommendation or solicitation, as applicable, to do or refrain from doing any act or thing;

- (b) the Moata Services (including any Outputs) are for general information purposes only and you and your Users are solely responsible for all decisions, acts and omissions that are made or undertaken that take account of, or that are based or rely on, the Moata Services (including any Outputs); and
- (c) where the Moata Services (including any Outputs) refer to historic or prevailing trends or performance, or to future projections, forecasts, estimates or predictions (including forward looking statements), no representation, warranty, assurance or undertaking is given by us: (i) that those historic or prevailing trends or performance will in any way guarantee or predict future results; or (ii) as to the probability, reliability, achievement or reasonableness of those future projections, forecasts, estimates or predictions (including forward looking statements).

9.8 To the maximum extent permitted by applicable law, we shall not be liable to you:

- (a) for any inaccuracies, errors and/or omissions contained in the Moata Services (including any Outputs);
- (b) for any loss or damage suffered by you and/or any third party in respect of any reliance that you and/or any third party places on any of the Moata Services (including any Outputs); and
- (c) in respect of any part of the Moata Services (including any Outputs) that is sourced or derived from publicly available data sources, including public registers and other published information,

and, to the maximum extent permitted by applicable law, we exclude all warranties, conditions and representations, express or implied in this regard and in respect of the adequacy, accuracy, completeness or reasonableness of the Moata Services (including Outputs).
