

WPC Inn Keeper Pricing

WPC Inn Keeper – Alcohol Licencing System

Product Outline

WPC Inn Keeper provides alcohol licencing capabilities for UK Police Forces. For accurate prices, customers will choose the relevant licence band in Section 1, then add the fixed rate items from section 2, then finally add optional items required from section 3. The prices below are for a single organisation procuring WPC Inn Keeper.

The licensing model for WPC Inn Keeper is based on the size of the force. The overall licensing cost is split into bands based on the overall size of the force or organisation. The correct band is dependent on functionality and options required.

Section 1 – Annual Licences

Force/ Organisation size	Total number of staff in organisation (up to)	Monthly Fee for WPC Inn Keeper System	Conditions
Very Small	2300	£800 - £900	1. From the point of cancellation or non-payment the licence is no longer valid.
Small	3300	£900 - £1,150	1. From the point of cancellation or non-payment the licence is no longer valid.
Medium	4300	£1,150 - £1,250	1. From the point of cancellation or non-payment the licence is no longer valid.
Large	6500	£1,200 - £1,500	1. From the point of cancellation or non-payment the licence is no longer valid.
Very Large	15000	£1,500 - £2,200	1. From the point of cancellation or non-payment the licence is no longer valid.
Enterprise	45000	£2,200 - £6,600	1. From the point of cancellation or non-payment the licence is no longer valid.

Section 2 – Fixed Rate Items

2.a. Standard Implementation Package	£9,000 - £10,000 one-off for a single force	Price dependant on size of organisation and exact services required. Includes: - Installations activity - System configuration consultancy - Project management and administration - A one-day training course for up to 10 people at your premises - Expenses for the above are included (within UK)
---	---	---

		The implementation package can be tweaked depending on customer requirements. It does not include Back Record Conversions from legacy systems, which can be quoted for at the daily rate below.
2.b. Standard Cloud Software Managed Hosted Service for Inn Keeper	£1,250 per month per individual force	This covers the default managed hosted service provided via Microsoft Azure and as defined in the Service Definition document.

Section 3 – Optional Items

3.a. Additional Required Software Services	£1,100	Per day per person, company standard rate for additional consultancy/training days. For activities outside the scope of the initial purchase, such as providing changes to the system, or back record conversion/data migration services from legacy systems.	
3.b. Additional Software Training Services	£1,100	Per One Day Course. With a minimum of 5 and maximum of 10 attendees.	Providing user and administrator training. Dependant on the number of attendees and requirements of the customer this can be held at WPC HQ or on-site. Price quoted excludes travel expenses.
3.c. Address Interface	£1,200 per annum	The solution has the ability to link to an online address lookup solution. This price is per 13,500 look ups per annum.	

Notes

1. For specific details of the standard package as part of our SaaS offering, please see the Service Definition. Alternative specifications, resiliency options, back-up processes and access methods are available in addition to or in place of the standard.
