

iPLATO's Platform Pricing

iPLATO Connect allows health care establishments to seamlessly communicate with their patients, and patients to take an active, empowered role in their own health and wellbeing, through two-way messaging.

It now includes free NHS App integration, meaning healthcare professionals can engage with their patients on two of the most popular healthcare apps on the market - the myGP app and NHS App.

All inclusive cost

Item	Cost
iPLATO Connect platform	£0.30 per patient
Optional - fair use messaging subscription	£0.15 per patient

Details & Terms:

- All prices quoted are in Pounds Sterling (GBP) and exclude applicable taxes
- All costs are paid by a single organisation/network i.e. practices are not invoiced individually
- A minimum contract term of 1 year
- A service subscription & all other charges are invoiced annually in advance.
- Price is calculated on a flat rate basis and is determined by the population in the participating ICB, GP Federation, Primary Care Network or GP practice.
- Service launch is based on the required number of man-days - minimum of 3 days - and will be charged based on standard day rates as detailed in the Skills for The Information Age (SFIA) Definition & Rate Card
- Renewal invoices are automatically issued 1 month prior to renewal date.

One transparent annual subscription that includes all hosting, operations and support designed to equip GP Practices with the best digital tools to supercharge their workflows, increase PCN collaboration, reduce inequalities and deliver an improved standard of care.
