Community

Pricing

The iPLATO Community bundle comprises of the companies two top-tier products: iPLATO Connect, iPLATOToolbar. iPLATO Connect transforms clinical engagement by enabling primary care providers to communicate effectively with patients, enhancing patient engagement. The iPLATO Toolbar allows practices to offer remote consultations via video, audio and asynchronous 1:1 messaging to avoid unnecessary appointments and improve the accessibility of patient care.

One transparent annual subscription that includes all hosting, operations and support designed to equip GP Practices with the best digital tools to supercharge their workflows, increase PCN collaboration, reduce inequalities and deliver an improved standard of care.

All-inclusive cost

Item	Cost	10,000 SMS Bundle
iPLATO Community	£4000 Per Instance	£300
