Introduction

This time and materials Services Agreement ("Agreement") is between Somerford Associates ("Somerford") and xxxxxxxxxxxxxxxx ("Customer"). This Agreement defines the scope of the services ("Services") that Somerford Associates will provide to the Customer.

Project Summary

To be completed for each project

Project Conditions

- Services are performed on a "time and materials" basis. The cost set out in this Agreement is a "not to exceed" amount. Should any items require additional time to complete then an additional Agreement will be agreed by both parties.
- The Customer will provide remote access via WebEx, MS Teams or another comparable remote access solution to the Somerford Engineer in order to facilitate the delivery of offsite Services and/or troubleshooting as required.
- Every effort has been made to account for whether a particular service will be delivered offsite or onsite. However, in certain circumstances, services previously designated as "onsite" may be performed remotely (offsite) and in such case no credit for the difference in the fees associated with these different "day types" will be provided to the Customer.
- If after six months from the date of the Effective Date there remain unused/undelivered days of services, the Customer will contact Somerford Associates to discuss scheduling services for those days. Unless otherwise agreed in writing, any unused and unscheduled days of services will expire one year from the date of the signing of this SOW, at which point Somerford Associates will be under no obligation to perform any additional services under this SOW. No credit/refund of unused service days will be provided.

If this situation occurs, the designated Somerford Consultant will work with the Client to identify and document the scope change, its impact on the project approach, timing, fees, resources, and the quality of project results. Somerford will document this and any change in scope must be agreed to in writing prior to Somerford reengaging on the project and will require the signature of both

5. Term and Termination

- 5.1 The Agreement is concluded for the period agreed in the Offer. The term of the contracted Awareness Building Services shall commence on the Agreement Start Date stated in the Offer ("**Contract Term**"). The Agreement cannot be terminated for convenience during the Contract Term. The Agreement shall automatically be extended by periods of one (1) year in each case, unless terminated by either Party by giving three (3) months' prior notice with effect to the end of the then-current Contract Term.
- 5.2 Each Party may terminate the Agreement for cause with immediate effect in writing. Any termination for cause requires that the other Party has previously been given a written warning and has been requested to eliminate or remedy the alleged reason for termination within a reasonable period, and such period must have expired without remedy.

- 5.3 Within thirty (30) calendar days of receiving Customer written objection to a change of the subprocessors pursuant to Sec. 7.7 a) of the DPA, SoSafe shall have the right to terminate the Agreement in writing with effect to the end of the then-current calendar month.
- 5.4 If the Agreement is terminated by Customer for cause or by SoSafe pursuant to Sec. 5.3, SoSafe will refund Customer any prepaid fees covering the remainder of the applicable Contract Term after the effective date of termination, on a *pro-rata* basis. If the Agreement is terminated by SoSafe for cause, Customer will pay any unpaid fees covering the remainder of the entire Contract Term.
- 5.5 After the effective date of termination, the Awareness Building Services will no longer be provided and the Customer's access rights to the Platform will be blocked.

6. Remuneration, Terms of Payment

- 6.1 Customer shall pay the remuneration agreed in the Offer.
- 6.2 Unless otherwise agreed, the remuneration for the entire Contract Term is payable in advance within fourteen (14) calendar days after receipt of the invoice and without deduction. Invoicing by SoSafe takes place immediately after conclusion of the Agreement. In the event of the Contract Term's extension, the invoice will be issued in full for the entire extension period at the beginning of the respective extension period.
- 6.3 All amounts are net, and applicable value added tax (VAT), other taxes, levies and tariffs (comprehensively "**Taxes**") shall be added and borne by Customer. Where SoSafe has to pay or collect Taxes for which Customer is responsible under this clause, SoSafe will invoice Customer, and Customer will pay the respective amounts, unless it provides SoSafe with a valid tax exemption certificate authorized by the competent tax authority. For clarity, SoSafe is solely responsible for taxes assessable against it based on its income, property and employees.
- 6.4 SoSafe may increase the applicable remuneration by 5% in each Contract Year. The increase will be indicated in the respective invoice.
- 6.5 Usage Limits. The Awareness Building Services are subject to the usage limits specified in the applicable Offer. If Customer exceeds the contractual usage limit, SoSafe may work with Customer to seek to reduce Customer's usage so that it conforms to that limit. If, notwithstanding SoSafe's efforts, Customer is unable or unwilling to abide by the contractual usage limit, Customer will enter into a new agreement for the additional quantities of the applicable Awareness Building Services

promptly upon SoSafe's request, and/or pay any invoice for excess usage in accordance with the then-applicable price list per User for the respective Awareness Building Services.

7. Warranty

- 7.1 SoSafe warrants that, during the applicable Contract Term, the Awareness Building Services will (i) perform substantially in accordance with the applicable Feature Matrix; and (ii) be provided with the degree of skill and care reasonable expected from a skilled and experienced provider of services substantially similar in nature and complexity to the Awareness Building Services; and (iii) be provided with an average monthly Availability for the Awareness Building Services as defined in the applicable Service Components and Service Level Agreement or Feature Matrix (the "**Service Level**").
- 7.2 The Customer shall report any deviation of the Awareness Building Services from the commitments under Sec. 7.1 (a "**Defect**") to SoSafe in text form without undue delay and shall submit a detailed description of the Defect or, if not possible, of the symptoms of the Defect, and any other related relevant information.
- 7.3 If the suitability for the contractual use is completely excluded by the Defect, the Customer is exempt from the payment of the fees until the Defect has been remedied. In the event the Defect only partially excludes the contractual use, the fees shall be reduced to an appropriate, proportional level for the period until the Defect is remedied.
- 7.4 SoSafe shall rectify any Defect within a reasonable period. If such rectification fails and after expiry of a further reasonable written grace period set by Customer, Customer may terminate the Agreement for cause in writing. If SoSafe is responsible for the Defect or if SoSafe is in default with the rectification, the Customer may also assert claims for the damage caused, as further specified in the "Limitation of Liability" Section 8 below.
- 7.5 Defects of title of the Awareness Building Services shall be handled in accordance with the provisions of Sec. 10 "Indemnity".
- 7.6 Except as expressly provided in the Agreement, neither SoSafe nor its subcontractors make any representation or warranties, and SoSafe and its subcontractors disclaim all representations, warranties, terms, conditions or statements, whether by statute, common law or otherwise, all of which are hereby excluded to the fullest extent permitted by law including the implied conditions, warranties or other terms as to quality, suitability, originality, or fitness for a particular use or purpose. Further, except as

expressly provided in this Agreement, neither SoSafe nor its subcontractors make any representations, warranties, terms, conditions or statements of non-infringement or results to be derived from the use of or integration with any products or services provided under the Agreement, or that the operation of the Awareness Building Services will be secure, uninterrupted or error free. Customer agrees that it is not relying on delivery of future functionality, public comments or advertising of SoSafe or product roadmaps in obtaining subscriptions for any Awareness Building Services.

- 7.7 Customer shall have no claims under this Section 7 to the extent a Defect was caused by the Awareness Building Services not being used by the Customer in accordance with the provisions of the Agreement.

8. Liability, Limitation of Liability

- 8.1 SoSafe is liable without limitation for damages resulting from:
 - a. injury to life, limb, or health caused by SoSafe's negligence;

 - a. SoSafe's aggregate liability for all damages that arise under the Agreement within a Contract Year shall further be limited to the aggregate amounts paid by the Customer under the Agreement in the respective Contract Year; and
 - b. SoSafe shall not be liable for any incidental, special, indirect and/or consequential damages, loss of business, loss of profit or goodwill, loss of revenue or opportunity, or exemplary or punitive damages.
- 8.3 SoSafe shall not be liable for (i) loss of data based on Customer's failure to carry out data backups prior to the transmission of the data and/or later and thus to ensure that lost data can be restored with reasonable effort and for (ii) any damages caused by SoSafe's inability, either in whole or in part, to deliver the Awareness Building Services, which occur as a result of the Customer's failure to adhere to the Agreement's provisions.
- 8.4 SoSafe shall not be liable for damages based on Force Majeure.

- 8.5 The limitation period for Customer's claims for damages against SoSafe shall be one (1) year, except for the cases mentioned in Sec. 8.1.

9. Confidentiality

- 9.1 The Parties shall treat all Confidential Information disclosed by one Party to the other Party under the Agreement or received from the other Party as confidential and shall use it solely for the purposes of the Agreement.
- 9.2 The Parties will protect Confidential Information from unauthorized access and treat it with the same care that they apply to their own confidential information, and at least with the care of a prudent businessperson.
- 9.3 The above confidentiality obligations do not apply to information that:
- was known to the receiving Party prior to receipt from the other Party under the Agreement, or
 - was developed by the receiving Party independently and without recourse to Confidential Information of the other Party, or
 - was obtained by the receiving Party from a third party not bound by any restrictions on the use and disclosure of that information, or
 - is or becomes publicly known through no fault or action of the receiving Party, or
 - was exempted from confidentiality by written declaration of the disclosing Party to the receiving Party.
- 1.6 Obligations under Sec. 9 shall survive the termination of the Agreement for any reason for a subsequent five (5) years' period.
- 1.7 For clarity, the obligations in this Section shall, from the commencement of the Agreement, replace any obligations entered into by the Parties in respect of confidentiality prior to the conclusion of the Agreement.

10. Indemnity

- 10.1 SoSafe will defend Customer against any claim, demand, suit or proceeding made or brought against Customer by a third party alleging that the Awareness Building Services infringe or misappropriate such third party's intellectual property rights (a "**Customer IP Claim**"), and will indemnify Customer from any damages, attorney fees and costs finally awarded against Customer as a result of, or for amounts paid by Customer under a settlement approved by SoSafe in writing

of a Customer IP Claim. If SoSafe receives information about an infringement or misappropriation claim related to a Service, SoSafe may at its sole discretion and at no cost to Customer (i) modify the Awareness Building Services so that they are no longer claimed to infringe or misappropriate, without breaching SoSafe's warranties under the Section "Warranty" above, (ii) obtain a license for Customer's continued use of that Awareness Building Service in accordance with the Agreement, or (iii) terminate Customer's Agreement upon thirty (30) days' written notice and refund Customer any prepaid fees covering the remainder of the term. The above defense and indemnification obligations do not apply if (i) a Customer IP Claim arises from the use or combination of the Awareness Building Services or any part thereof with software, hardware, data, or processes not provided by SoSafe, if the Awareness Building Services or use thereof would not infringe without such combination; or (ii) a Customer IP Claim against Customer arises from Customer Content or Customer's breach of the Agreement.

- 10.2 Customer will defend SoSafe and its Affiliates against any claim, demand, suit or proceeding made or brought against SoSafe by a third party (a) alleging that the combination of a non-SoSafe application or configuration provided by Customer and used with the Awareness Building Services, infringes or misappropriates such third party's intellectual property rights, or (b) arising from (i) Customer's use of the Services in an unlawful manner or in violation of the Agreement, (ii) any Customer Content or Customer's use of Customer Content with the Services, or (iii) a non-SoSafe application provided by Customer (each a "**SoSafe IP Claim**"), and will indemnify SoSafe from any damages, attorney fees and costs finally awarded against SoSafe as a result of, or for any amounts paid by SoSafe under a settlement approved by Customer in writing of a SoSafe IP Claim. The above defense and indemnification obligations do not apply if a SoSafe IP Claim arises from SoSafe's breach of the Agreement.

- 10.3 The indemnified Party shall (a) promptly give the indemnifying Party a written notice of the Claim, (b) give the indemnifying Party the sole control of the defense and settlement of the Claim (except if the indemnifying Party may not settle any Claim unless it unconditionally releases the indemnified Party of all liability), and (c) give the indemnifying Party all reasonable assistance, at the indemnifying Party's expense.

- 10.4 This Section 10 states the indemnifying Party's sole liability to, and the indemnified Party's exclusive remedy against, the other Party for any third-party claim described in this section.

11. Data Protection

- 11.1 The Parties shall process personal data only in accordance with applicable data protection regulations and, to the extent personal data are processed for the purposes of Customer, subject to the **Data Processing Agreement** (annex to the GTC). - 12.2 There are no third-party beneficiaries under the Agreement. The Parties are independent contractors. The Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties. Each Party will be solely responsible for payment of all compensation owed to its employees, as well as all employment-related taxes.
- 12.3 Where these GTC require a Party to adhere to written form, then provision of an email or facsimile shall be deemed sufficient, except in relation to notifications of termination which shall require the terminating Party to submit a written and signed document via mail.
- 12.4 The following order of precedence shall apply within the Agreement: (i) Offer and, if applicable, the specific Additional Terms, (ii) Feature Matrix, (iii) Service Components and Service Level Agreement SoSafe, (iv) Data Processing Agreement; and (v) these GTC.

- 12.8 SoSafe is entitled to name Customer as a reference Customer. Customer grants SoSafe the right to use Customer's logo and name in electronic, printed, or other form for internal or external marketing activities, e.g., on the Internet, in brochures, offers, presentations or press releases, free of charge, unlimited in terms of space and content and limited in time to the duration of the Customer relationship.
- 12.9 SoSafe may update these GTC by providing four (4) weeks’ prior notification in text form. If the Customer does not object in text form to these changes within said period, the amendments shall be deemed accepted with effect for the future. If the Customer objects to the changes, the contractual relationship will continue in its previous form. SoSafe will point out the effect of silence in the notification.
- 12.10 Subject to Sec. 12.9, any amendments and supplements to the Agreement, including these GTC, shall be made in writing (a simple electronic signature, e.g., using a signature tool, is sufficient for this purpose). The same shall apply to any waiver of this written form requirement.
- 12.11 Neither Party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the other party’s prior written consent (not to be unreasonably withheld); provided, however, either Party may assign the Agreement in its entirety, without the other Party’s consent to an Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all its assets.
- 12.12 Should individual provisions of the Agreement be or become invalid or unenforceable, this shall not affect the validity of the remaining provisions of the Agreement.
